Financial Policies

Accounts Receivable Office *(located in the High School)*

419-885-3558 • tfarrington@ecstoledo.org

Payment Methods

FACTS Management is used for processing payments for all tuition and fees. Automatic payments are made from your bank account or credit card. **All families** (even those paying in full) **are required** to have a FACTS agreement setup and tied to either a bank account or credit card. **This must be done within 7 days of acceptance of enrollment at EC.**

Occasional payments may be made by cash, check or credit card through the Tuition Office.

Communication

Communication is key regarding financial matters. Our desire is to work with you in your pursuit of Christian education. If you have need to change a scheduled payment or discuss your account, please contact the Accounts Receivable Office at least 5 business days prior to the scheduled payment so that we may work out a plan together.

Past Due Accounts

- If a FACTS payment is returned 3 times, you must contact the Accounts Receivable Office to make arrangements to become current on your account.
- An account that is past due 2 full months may result in ParentWeb access being turned off until the account is brought current.
- Accounts that are 3 or more months behind at the end of the first semester, without communicating with the Accounts Receivable Office to make arrangements, may be subject to withdrawal of students.
- Accounts that are 3 or more months behind at the end of the school year will be subject to being turned over to collection, with the account holder paying all fees charged by collection agency in addition to the outstanding balance.

After Care

Any prior year outstanding balance must be paid in full in order to enroll in the program for the current year. Charges will be posted to your FACTS account weekly. If your After Care charges go past 30 days due, your family will not be able to take advantage of the After Care Program until the balance is brought current.

Athletic Fees

Any applicable Athletic fees will be billed to your FACTS account to be paid with your next scheduled FACTS payment. Outstanding Athletic Fees will prevent a student from participating in the next athletic season.

Music Fees

Any applicable Music fees will be billed to your FACTS account to be paid with your next scheduled FACTS payment.

Student Withdrawals

Students withdrawing during the school year will be assessed charges through the last day enrolled. Withdrawal notices must be given in writing. Be aware that 5 business days prior to a scheduled payment date are required for FACTS to stop automatic payments. Withdrawal notices should be given with this in mind. Note: Enrollment Fees and Matriculation Fees are non-refundable.
