

OMS 2020-2021 LEARNING OPTIONS

OPTION 1

OPTION 2

TRADITIONAL

Traditional Classroom Setting
Learning Management System:
Pearson/Google Classroom

DISTANCE LEARNING

Is an extension of the Traditional setting. It will be determined on an individual basis.

VIRTUAL

Virtual - Online Education
Learning Management System:
Pearson/Google Classroom

- Enrolled as an OMS Student
- In-person learning conversations and engagement
- In-person social interaction with peers and staff
- Access to on-site classroom materials
- Google Classroom connects all teachers & students for seamless learning
- Chromebooks provided
- Participate in school-sponsored athletic, fine arts programs (NCAA Compliant), and school sponsored activities

All Students are automatically enrolled in this option

- Enrolled as an OMS Student
- Same curriculum management system used by In-Person Classroom Setting for easy transition if needed for intermittent health concerns
- Google Classroom connects all teachers & students for seamless learning
- Supervised by their classroom teachers
- Chromebooks provided
- Cannot participate in school-sponsored athletic, fine arts programs, and school sponsored activities

For a Traditional student that has to be quarantined for testing, etc.

- Enrolled as an OMS Student
- Semester Placement
- Same curriculum management system used by In-Person Classroom
- Google Classroom connects all teachers & students for seamless learning
- Accessible anywhere
- Supervised by OMS certified teachers
- Communication between admin & parent provided via regular updates
- Chromebooks provided
- Participate in school-sponsored athletic, fine arts programs (not NCAA Compliant), and school sponsored activities
