July 24, 2020

Dear Wildcat Families,

I hope this finds you all well! As I write this I can hear our summer school students out on the playground- it is so wonderful to have kids back at school!

Thank you for being patient with us as we navigate how to meet the needs of our students and families, and reopen our school in the fall. I wanted to share a brief update about our back to school plans, as well as a timeline about when you can expect more information.

Right now, La Farge Schools is finalizing plans for two options for the 2020-2021 school year.

- **Option A)** In person instruction Monday - Friday, 8:00 - 2:30. Middle School and High School schedules have been amended to a Block Schedule, meaning that on alternate days, students will attend four longer class periods, rather than the 8 hour schedule that has been used in the past.
- **Option B)** Home-based/online learning facilitated by teachers at La Farge Schools. We are building a comprehensive program that will provide opportunities for engagement with classmates and live meetings with teachers on a regular basis, as well as support a high level of new learning.

We are working hard to finalize the details of these two plans with our teachers and staff, feedback from families, and with the guidance of the Vernon County Health Department.

Thank you to everyone who filled out the [Back to School Survey](#)- it has been reopened for anyone who didn't get a chance to respond.

Mr. Hansen, Mr. Camlek, and I are working to follow up with families who indicated that they had a question or concern.

Specific information about our final plans will be shared with families after a final review by the School Board on August 3rd.

Please don't hesitate to reach out to me in the meantime with any questions or concerns.

Enjoy the summer sunshine, and stay safe and healthy!

Sincerely,
Meaghan Gustafson
