Akron Children's Hospital

Akron Children's Hospital is one of the largest independent pediatric hospitals in the U.S., and ranked among the best children's hospitals by U.S. News and World Report. Our dedicated staff serves nearly 900,000 patient visits per year through our 2 hospital campuses and a large network of locations offering primary and specialty care.

We are leading the way to healthier futures for children and communities through expert medical care, research, and prevention and wellness programs. As a teaching affiliate of Northeast Ohio Medical University and other universities, we train new generations of pediatricians, specialists, nurses and pharmacists every year.

We are seeking people who are committed to fostering a diverse environment in which patients, family and staff from a variety of backgrounds, cultures, and personal experiences are welcomed, included and can thrive.

### **Our Promises**

To treat every child as we would our own

To treat others as they would like to be treated

To turn no child away for any reason
