

CLEVER R-V SCHOOL DISTRICT

Return to Learn #BluejayStrong

Clever R-V is committed to providing a high quality education for all students while prioritizing the health of our entire school community. The following protocols will be in place as we begin the school year.

Transportation

- Students Grades K-12 will wear face masks while on the bus.
- Buses will be cleaned/disinfected after each route both morning and afternoon.
- Parents are encouraged to transport their student to school whenever possible to reduce the number of students on each bus.

General Cleaning Procedures

- Buildings will be thoroughly cleaned at least once a day, including the use of our surface disinfecting system.
- Bathrooms will be disinfected multiple times throughout the day and after student dismissal.
- Other frequently-touched common surfaces (such as handrails) will be cleaned throughout the day.
- Playgrounds will be disinfected periodically.
- Teachers will have disinfectant materials to wipe down desks and tables before and after meals.
- Traditional water fountains will be disabled. The District is in the process of installing bottle filler stations throughout the buildings. Students will be expected to bring a water bottle with them to school.

Student Arrival

- Students and staff will be asked to perform daily health assessments at home prior to arrival at school.
- Upon arrival, students will report directly to their classroom.
- Students will be encouraged to wear their masks and socially distance when arriving at school.

Face Masks

Students will be required to wear masks/face coverings in the following areas/situations:

- All students (K-12) are required to wear masks during transportation on buses.
- All students (K-12) are required to wear masks in hallways and common areas.
- All students may be required to wear masks during intermittent periods in classrooms throughout the day depending on the activity and proximity to others.
- Students are required to bring their own cloth mask. Cloth masks must be made of tightly woven fabric and cover both the nose and mouth.

Visitors

- Non essential visitors to the building will be limited. Any visitor entering the building must be masked.

Breakfast and Lunch

- Breakfast and lunch will be eaten in classrooms to maintain consistent grouping and/or reduce mass gathering.
