

A NOTE TO OUR FAMILIES

Hello Central Community!

We are excited to continue volunteering our time to help support Central in 2020-21. This year will require some adjustments to our traditional plans, but we will still make every effort to provide opportunities for 1) families to connect, 2) students to engage, 3) teachers and staff to feel appreciated and 4) overall school support. Things will look different and it could be a wild ride, but we are so up for the challenge!

We have all kinds of opportunities for you to help this year from an hour of prepping class items at home to room parenting to coordinating an event (be it virtual or in person later on).

Please feel inspired to reach out to us if you have questions, ideas, want to be involved or if you just want to chat.

We look forward to serving Central's staff, students and families this year with you!

HOW WE SUPPORT CENTRAL

CLASSROOM GRANTS

SCHOOL SUPPLY SUPPLEMENTATION

STAFF APPRECIATION

SCHOOL IMPROVEMENT PROJECTS

GRANTS FOR CHAMPS
