Dear Parent/Guardian,

We here at Ackerman Elementary School want to say thank you for allowing your child to participate in the After School Program. This program is a great option for parents and guardians of the students here at our school. The 2020 - 2021 After School Program will start on August the 12th.

We wanted to take a minute to collect some additional information from you, as well as tell you a few things about the program that your child is participating in.

Information:

- Payments for After School are due on the first of the month for the upcoming month. For the month of August, please make payment no later than August 16th. If payments are over a month past due, your child/children will not be allowed to participate in the program until their balance is paid.
- Payments can be made to the After School teachers when students are picked up or to the front office during regular school hours.
- Prices for After School are \$150 a month for each child. For the month of August only it is \$100.
- After School care begins immediately following dismissal. Students must be picked up by 5:30.
- Pick up for After School is in the library.

In addition, please complete the bottom part of this letter and return it to the school or bring it back to an After School teacher. Please feel free to contact us if you have any questions, and we look forward to getting the opportunity to work with you.

Sincerely,

Samantha Kelly
Principal, Ackerman Elementary
