

## CRANE INDEPENDENT SCHOOL DISTRICT

511 W. 8TH ST.  
CRANE, TEXAS 79731

July 21, 2020

Dear Parents/Guardians,

It is with an abundance of caution that we are making plans to re-open our district. Texas Education Agency is providing assistance in opening our doors as well as our on-line education programs. There are many protocols established from Texas Education Agency, Governor Abbott, and the Center for Disease Control (CDC). As a District, we are trying to keep your Student(s) safe and are in the process of developing a quality education both in-class and on-line for all.

The Students first day for education will be August 10<sup>th</sup>. If you have selected to have your Student be educated through "on-line" class instead of the "in-class" version your student will begin at the same start time as an "in-class" student. The "on-line" classes will be live streamed from the classrooms. Schedules of classes and times are included in this letter. Your child will see and hear the exact lesson that the students in the classroom are receiving.

Breakfast will be served in the classrooms beginning at 8:30 in Elementary. In Jr. High and High School they can have breakfast in the classrooms beginning at 8:15. All core subjects will be in the morning. If you are on-line, your class session will be completed by no later than 12:15 PM.

All in-class students will have 30 minutes for lunch but will not be allowed to leave campus. Students may select the lunch from the school cafeteria or may bring a lunch from home. All lunches must be brought by the students at morning arrival or brought to the offices by 9:00 AM or you can purchase a cafeteria lunch.

Students ten (10) years old and up attending in class will need to wear masks, Crane ISD will provide a re-useable, washable mask for every student. This is the mask that we ask your student(s) to wear. If it is forgotten or lost we will provide an alternative mask until you can get a replacement for your child. We ask that no logo's, pictures, and attachments be on any masks. You do not need to purchase masks for your student(s) unless it is for replacement. Students may also use face shields but those will be provided as well.

Your student will need to bring a water bottle due to the fact that we can't allow the use of water fountains. Please mark your student's full name on the bottle. The teacher will be allowed to refill the bottle for your students throughout the day.

Parents, you will screen your child daily but post on Mondays. If your child is ill or been exposed, please contact the school but do not send your student to school. The screening consists of the following:

1. A measured temperature equal to or greater than 100.4 F
2. Chills
3. Close contact with a person who is lab-confirmed to have COVID-19
4. Cough
5. Diarrhea
6. Feverish feeling
7. Headache
8. Loss of taste or smell
9. Muscle pain
10. Shortness of breath or difficulty breathing
11. Sore throat

This a new version of school for all of us! We appreciate your patience and most of all your support as we navigate through these uncharted waters together. We are diligently working to keep every student and staff member as safe as possible.

We are looking forward to seeing you and your children soon. Please be safe!

Sincerely,

A handwritten signature in cursive script that reads "Janet Hunt". The signature is written in black ink and is positioned above the typed name.

Janet Hunt, Superintendent of Schools Crane ISD

## High School
