

Logansport Community School Corporation Safe Schools Reopening Plan

2020-2021

Based on the guidance provided by Governor Holcomb's Executive Order 20-28 and the Indiana School Board Association's Coronavirus and Re-Entry Resource Guide updated June 10, 2020, together with input from the CDC Guidelines and in conversation with Dr. Dori Ditty, the Health Officer, and Serenity Alter, Administrator of the Cass County Health Department, the Logansport Schools have created the following plan for the operation of the Logansport School System's plan in re-opening the education of Logansport students for the Fall semester 2020. This plan focuses heavily on the health and physical requirements necessary for reopening LCSC school buildings.

**This policy is subject to change or amendment upon the recommendation of the Cass County Health Department, the Logansport School Board, or by Order of the Governor.*

I. Educational Operations

A. Calendar

Logansport Schools will open for the fall semester based on the 2020/2021 calendar as previously approved by the Board of Trustees. It is intended that the first teacher day and first student day are as follows:

1. August 11, 2020 Teacher Organization Day
2. August 12, 2020 Students first day. All classes will be in session pursuant to student schedules.

B. Face Coverings and Physical distancing

1. Per Governor Holcomb's executive order announced July 22, 2020, as of July 27, 2020 all students in grades 3 - 12 will be required to wear face coverings at all times while in a school building with the following exceptions:
 - a. During times of strenuous exercise such as physical education class or participation in extracurricular sports.
 - b. During meal times.
 - c. Outdoor recesses shall be times when face coverings are optional.
 - d. The student has a physician's release from wearing a face covering.
 - f. A case conference committee has determined a child's disability is such that the student is unable to wear a face covering.
2. Preschool through second grade students will be required to wear face covering on the bus, in the building when not in the classroom, and as otherwise directed by the teacher or school administration.
 - a. The exceptions in numer one above also apply to students in preschool through second grade.
3. Per Governor Holcomb's executive order announced July 22, 2020, as of July 27, 2020 all employees will be required to wear a face covering while in a school building with the following exceptions:
 - a. Face coverings may be removed when a staff member is alone in a room and during meal times.
3. The school will have masks available at the school's main office.
4. It shall be the policy to provide as much physical distancing as is possible in classrooms, hallways, cafeterias and at other school facilities.

5. As the recommended six feet is not possible in most instances, the following actions will take place:
 - b. All students will report to their first period class upon entering the buildings in the morning.
 - c. All classrooms shall be set up so that students are facing one direction, and cluster teaching is prohibited without building administrator approval. Students will have an assigned seat in each classroom.
 - d. Parents will be asked to provide a face covering for their student(s), and to have their student's first and last name printed on the outside of the covering.

C. Passing Periods

1. As much as possible, in each building students will move in one direction as they pass from one part of the building to another. When not possible, students will use a "stay to the right" process as they move through the buildings.

D. Restroom Breaks

1. In the elementary schools, the building principals will develop a schedule for restroom breaks that help classes avoid being in the restrooms at the same time. No more than one class shall be released for restroom use at a time.
2. High school and Junior High school restrooms will be limited to three students at a time for use during passing periods. Students needing to use the restroom facilities may also seek a pass during class, at such times as to not disrupt the educational plan of the teacher.

E. Safe Library Practices

1. Librarians will determine the traffic pattern for students.
2. Students should wash or sanitize their hands before entering and upon exiting the library.
3. Returned materials will be quarantined for 24 hours, or cleaned with disinfectant before being returned to circulation.
4. Physical distancing shall be practiced when possible.

F. Remote Learning

1. Logansport Schools will provide remote learning opportunities for high risk students based on IEPs or a doctor's diagnosis of high risk provided to the school, using school provided one-to-one electronic devices. The principal and Curriculum Director will coordinate with each family to arrange remote learning from home. More detailed plans are forthcoming.
2. Logansport Schools will provide remote learning opportunities for students whose parents have elected to distance learn, upon enrollment, using school provided one-to-one electronic devices. The principal and Curriculum Director will coordinate with each family to arrange remote learning from home. More detailed plans are forthcoming.

G. Guidelines for school visitors

1. We encourage parents to complete any school business electronically if possible as we try to limit office visits to essential business. If you have questions about school-related issues, please contact the appropriate school office or department. Our office staff will be available to answer your phone calls and your questions. If necessary, we encourage you to schedule an appointment for an in-person office visit.
2. Please be aware we will follow the guidelines listed below to provide a safe environment for our students and staff:
 - a. All visitors to our school offices must wear a face covering.
 - b. All visitors should use the hand sanitizer provided when they enter a school office area.
 - c. All visitors to our school offices must remain in the front office areas unless authorized by the principal.
 - d. All visitors must practice physical distancing.
 - f. All in person meeting attendees will be required to wear a face covering.
 - g. Visitors will not be allowed to eat with the students.
3. All visitors should complete a self-check before entering a school building. If the answer is yes to any of the following questions for you, or any of the individuals accompanying you, the individual(s) whose response is affirmative will not be permitted to visit. Please contact the person with whom you made an appointment to reschedule your visit.
 - a. In the last 14 days, have you been in contact with someone who has tested positive for Covid-19? Or, have you come into contact with a person who is suspected (i.e. undergoing or considering testing) to have been infected with Covid-19 or who has been around someone who has tested positive for the virus in the past 14 days?
 - b. Do you have any of the following conditions?
 - A fever of 100 or greater
 - A new or worsening cough
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - Headache
 - New loss of taste or smell
 - Sore throat or chills
 - Congestion or runny nose
 - Nausea or vomiting
 - Diarrhea
4. Parents/individuals dropping off items for a student will be able to do this in the designated area at each building. The self-check outlined in Section C

above needs to be completed prior to dropping off an item. Any person who cannot pass the self-check will not be allowed to drop off items.

II. Buildings & Facilities

- A. Daily operating hours 6:30am - 5pm.
 - 1. Off hours will allow for cleaning and disinfecting to take place.
 - 2. The facility use request program will continue to be utilized.
 - a) The evaluation of requests by building administrators, facilities/grounds supervisor and central office administration will include consideration of time and effort needed for cleaning, disinfecting and preparing facilities for regular school programming. Due to the direct or indirect impact by the current pandemic, requests may be declined.
- B. Hand sanitizing stations will be available at all main entry doors, cafeterias and additional areas deemed appropriate
- C. Water fountains will not be available for use.
 - 1. Students will be allowed to bring water bottles to school for personal use.

III. Food Services

Our primary goal will be to provide access to nutritious meals while minimizing potential exposure to the novel coronavirus (COVID-19). Per CDC Guidelines it is recommended to limit the extent to which students mix with each other, especially with students from other classes. Below is a tentative plan to meet this need.

- A. Physical distancing and minimizing exposure in the cafeteria
 - 1. Provide physical distancing in the cafeteria.
 - 2. Face coverings and or shields and gloves will be worn by the cafeteria staff and lunchroom assistants.
 - 3. Students will be required to wear face coverings until they are seated and ready to eat their meal. Coverings may be removed while eating.
 - 4. Students will be encouraged to wash hands prior to meal service but will be required to use hand sanitizer as they enter the cafeteria.
 - 5. Staff will monitor students:
 - a. during arrival and dismissal to curtail congregation and ensure students keep their distance with designated entry and exits identified.
 - b. while in the cafeteria.
 - 6. Discontinue self-service food/beverage distribution.
 - 7. Menu selections will be simplified.
 - 8. Water fountains in the cafeteria will be turned off as required.
 - a. Will have bottled water available for sale at all cafes.
 - b. Cups of water will be available with meals as required per USDA to have potable water available during meals.
 - 9. Breakfast meals will be Grab and Go. Students will return to rooms to eat. Will monitor and maintain physical distancing as much as possible while picking up meals.

B. Elementary Schools

1. Kindergarten and Pre-School teachers will order student meals online before 9:00 am. Staff will package meals and deliver to students for lunch. Breakfast will be a grab and go option available in the cafeteria.
2. Students will be served lunch meals in the cafeteria.
 - a. Disposable trays and silverware will be used by students.
3. All Students will come through the serving line alphabetically.
4. Cashier will utilize class sales to avoid student exposure to PIN pad.
5. Cafeteria tables will be used at $\frac{1}{2}$ capacity.
6. Any students with food allergies will be served first in a class.
7. Staff will place milk on student trays. Other prepackaged items that can be distanced enough will be picked-up by the students.
8. Staggered meals times will be required to limit the number of students to no more than $\frac{1}{2}$ capacity at any given time.
9. Table will be washed, rinsed, and sanitized between classes.
10. Students will be monitored to avoid sharing of food.
11. Face coverings and or shields and gloves will be worn by cafeteria staff.

C. Secondary Schools

1. Provide social distancing floor/seating markings in the cafeteria on the floor and tables.
2. Face coverings and or shields and gloves will be worn by cafeteria staff.
3. Students will be required to wear face coverings until they are seated and ready to eat their meal. Coverings may be removed while eating.
4. Students will be encouraged to wash hands prior to meal service but will be required to use hand sanitizer as they enter the cafeteria serving line.
5. Staff will monitor students in the cafeteria.
6. Students will eat in the cafeteria and alternate approved areas (gyms, lecture halls, outside as weather permits) to allow for physical distancing.
7. Extended serving times may be needed.
8. No more than $\frac{1}{2}$ the seating capacity will be used at any given time.
9. Disposable trays and silverware will be used.
10. Students may pick up their own milk and other pre-packaged items if the food items are distanced enough to prevent contamination.
11. Serving lines will be washed, rinsed, and sanitized between sessions.
12. PIN Pads will not be used at POS and an alternate method will be used.
13. Tables will be washed, rinsed, and sanitized between classes.
14. Microwaves will be removed from the cafeteria per Cass County Health Department.

This plan may be revised as the Food Service Director meets to discuss procedures with building principals, Department of Education, and the Cass County Health Department.

IV. Bus Transportation

- A. Based on ISDH guidance, students may ride buses to school as normal, without physical distancing. As such the following guidelines need to be followed:
1. Students will wear a face covering to and from school on the bus.
 2. Parents will sign-off, agreeing they will have their student wear a face covering while on the bus. This will be part of the student registration process.
 3. At the direction of the Indiana State Police, hand sanitizer will not be provided by LCSC on buses due to the flammable nature of the sanitizer. Students will be allowed to use personal sized hand sanitizer while riding LCSC buses. Students should use hand sanitizer before entering and after exiting the bus.
 4. Students will not sit in the seat directly behind the driver (unless emergency arises while on the bus).
 5. On the special needs bus, aids will sit behind the bus driver and will wear appropriate PPE.
- B. Drivers and bus assistants
1. Face shields will be provided for both drivers and assistants.
 - a. Face shields shall be worn in the down position while loading and unloading students.
 - b. Bus assistants will wear a shield, face covering, and gloves as appropriate while assisting students entering and exiting the bus.
 2. The wearing of a face covering will be allowed while driving.
 3. Training
 - a. During the re-certification training that occurs prior to the start of school, drivers will practice driving with PPE.
- C. Buses shall be sanitized after use.
1. Daily after each route.
 2. After the transportation of ECA groups.

V. Athletic / ECA Activities - 2020 BERRY SPORTS SUMMER CONDITIONING

Logansport High School will open athletic facilities for all sports beginning on Monday, July 6, 2020. Summer workouts / conditioning programs are voluntary and open to all students. The official start for fall sports is August 3rd. Those students that do not attend July workouts may still try out for teams on August 3rd .

A. July Workout Rules and Regulations

1. Athletic physicals and ALL forms on Final Forms must be complete prior to student participation. The IHSAA is allowing physicals from the 19-20 school year to be used during the 20-21 school year, however, there is a waiver form that must be signed in Final Forms by a parent or guardian. Athletes may still

choose to have a new physical for 20-21 and those may be picked up in the athletic office or on the Berry athletic department website at berryathletics.com

2. Workouts will last a maximum of 2 hours for each group.
3. No school equipment will be issued to athletes.
4. All athletes will be required to bring their own water bottle, towel, etc.. Athletes' names must be clearly written on the water bottle.
5. Locker rooms will not be available.
6. Restrooms will be available at each facility.
7. Coaches will work with athletes in small groups and contact will be limited.
8. Soccer balls, footballs, volleyballs and any other equipment shared by athletes will be cleaned at the end of each session.
9. Restrooms will be sanitized each day.

B. Athlete Expectations During July Workouts

1. Do not attend workouts if you are not feeling well, have a fever or have recently been exposed to the COVID 19 virus.
2. Do not attend workouts if you have been exposed to COVID 19 until you have gone through the proper quarantine which is 14 days from the time of exposure.
3. Wash workout clothes after each day's session.
4. When not working out, keep a reasonable distance from teammates when possible.
5. Wash hands after using the restroom.
6. Do not share water bottles, gloves or other workout items.
7. Make sure your ride, if necessary, is here when the workout is finished. Students should not be congregating while waiting for their ride home.
8. No parents will be allowed during conditioning sessions.
9. We will not be monitoring student's transportation to and from workouts. If an athlete is riding to and from workouts with another athlete, all parents should be aware and grant permission.

C. On August 3, 2020 all athletic programs will resume normal operating procedures as outlined in the Logansport High School student handbook and this Safe School Reopening Plan.

1. Resuming normal procedures will be subject to future IHSA, IDOE, Department of Health, and Indiana Governor guidelines.
2. Per Governor Holcomb's executive order announced July 22, 2020, as of July 27, 2020 students and coaches will also follow these guidelines:
 - a. All student athletes are required to wear a face covering.
 - b. The face covering may be removed by the student if the physical activity they are participating in becomes strenuous. The covering will stay with the student and be worn once the strenuous activity concludes.
 - c. If a student decides to leave the covering on full-time, the decision will be supported by the coaching staff.

- d. Coaches must wear a face covering at all times.
- e. Face coverings will be provided if a student or coach does not have one.
- F. Failure to comply with this executive order from the Governor of the State of Indiana will result in an immediate removal from practice.

VI. Student and staff illnesses

- A. Students who are ill with Coronavirus or have Covid-19 diagnosis, or who are ordered into quarantine by a physician or the County Health Department shall have excused absences and during the quarantine shall be enrolled in remote learning opportunities.

- B. High risk students are authorized to participate in their education at the school building, or by remote learning. The principal / Curriculum Director will coordinate with each family to determine the appropriate manner and method of education.

- C. Medically fragile students who are unable to attend school due to Covid risks shall be provided remote educational services through remote learning. The Case Conference Committee for each student shall meet virtually at least every 60 instructional days to review the IEP for each student unable to attend school in person.

- D. Teachers and Staff – See Addendum A.

VII. Screening

- A. Each student/parent or staff member shall be personally responsible to daily screen their own physical condition, by taking their temperature before school starts. Those with a temperature that equals or exceeds 100 degrees shall be kept at home, and their absence properly reported to the school building.

- B. If a student or staff member attends school and thereafter appears to be showing signs of illness, by elevated temperature, coughing, sneezing, shortness of breath, chills, muscle pain, headache, sore throat, or loss of taste or smell they should report to the school nurse who shall quarantine the student and contact a parent or guardian to pick up the student, or send the staff person home, responsibly. Once a student or employee is removed from the school environment, they will be permitted to return if they satisfy the following guidelines listed in section VIII.

- C. Students will participate in a daily screening based on the CDC guidelines. The screenings will be conducted by the classroom teacher. Students who do not pass the screening will be referred to the school nurse for further evaluation.

VIII. Return after Exhibiting Symptoms

Persons who have been self-quarantined, or removed or excluded from school may return after:

- A. If not tested for Covid-19 they may return if:
 - 1. They have not had a fever for at least 72 hours without the use of medication to reduce fever; and
 - 2. Other symptoms such as coughing, or shortness of breath has improved; and
 - 3. At least 10 calendar days have passed since symptoms first appeared.
- B. If a person tests positive for Covid-19, but has exhibited no symptoms, they may return if:
 - 1. They have been isolated for 10 days with no symptoms.
 - a. If symptoms appear, they must isolate 10 days from the first day the symptoms appear.

IX. Medical Inquiries

The school will take each opportunity to inquire concerning Covid-19 symptoms for employees and students, including:

- A. If a parent tells the school that a student is ill, the school will ask the parent whether the student is exhibiting symptoms of Covid-19.
- B. If an employee calls in sick or appears ill, the school will inquire whether the employee is experiencing Covid-19 symptoms.
- C. If a person is obviously ill, the school may make inquiries about the symptoms exhibited, and may exclude the person from school property, only to return in accordance with Section VIII of this policy.
- D. If a student or employee has recently had contact with a person with a suspected or confirmed case of Covid-19, has someone in their home being tested for Covid-19, or has recently traveled from somewhere considered to be a "hot spot" by the CDC, the school may exclude the person from the school building, and recommend that they self-quarantine for 14 calendar days.

X. School Response to Confirmed Cases.

- A. After it is confirmed that a person infected with Covid-19 was on school property, the following steps shall be taken.
 - 1. Notification to the County Health Department.
 - 2. Notification to the Indiana Department of Education.
 - 3. Implementation of sanitation efforts in areas where the infected person was engaged in the educational program.

- B. The administration may shut down buildings, busses, or other facilities upon recommendation of the County Health Board or the Indiana Department of Education, for such time as is appropriate for the protection of the community.

XI. Sanitation Issues

- A. Water fountains. All water fountains shall be disabled. Students needing hydration shall be responsible to provide their own water bottle, which shall not be shared with other persons. Restrictions on the presence of water bottles in classrooms are lifted.

- B Hand washing or sanitizing. Hand sanitizers shall be available at all entry doors, at the cafeteria, and throughout the building. All persons should use hand sanitizers at the following times:
 1. upon entering the building in the morning.
 2. before eating.
 3. after using a restroom.
 4. after blowing the nose, coughing or sneezing; and
 5. after using shared equipment.

The school will provide hand sanitizer for these purposes.
