Policy Statement

The Holcomb USD 363 Board of Education has adopted the "Student Drug Testing Policy" for all students grades 7-12 who planned to participate in or attend school-sponsored activities.

General Authorization Form

The student and parent/guardian acknowledge receipt of the USD 363 Student Drug/Alcohol Testing Policy and are familiar with the definitions listed. We understand that as a condition of the student being allowed to participate in or attend school-sponsored activities, the student may be required to undergo and successfully pass a random screening for alcohol, tobacco, illegal drugs, or other banned substances, as set forth in the drug-testing policy. We agree to all terms and conditions contained in the policy.

The parent/guardian hereby consent to his/her student's participation in the random drug and alcohol- testing program and to the disclosure of testing results to designated USD 363 personnel and to the parent/guardian. We further understand that the student's refusal to submit to a drug screening will be treated in the same manner as if the student had tested positive for banned substances.

No student shall be penalized academically for testing positive for banned substances during random drug testing. If the consumption took place at school or at a school activity, we understand there may be disciplinary consequences as determined by the administration as outlined in the student handbook of the school.

The privilege of being allowed to participate in or attend school-sponsored activities is contingent on the signing of this consent form.

This consent form shall remain in effect for as long as the student is a student within USD 363. Any revocation of this consent form shall disqualify the student from participating in or attending school-sponsored activities for the remainder of the school year.
