TED HESSONG
Superintendent

July 28, 2020

To All Parents/Guardians:

At a special board meeting last night, the following information was approved:

- The start date for school is September 9, 2020
- Teachers will report on August 14, 2020
- Paraprofessionals and teacher aides will receive more specific return date information later

In addition:

- No decisions were made on learning formats, personal protective equipment, or hygiene and symptom-checking protocols.
- Remote learning will be available for students who choose to receive learning in this manner.
- Administrators and directors are working to finalize learning formats for students. They will be working on remote learning and hybrid schedules for students.
- The Board of Education will decide in the near future regarding learning formats, personal protective equipment, and hygiene and symptom-checking protocols before students return on September 9.

USD 234 takes very seriously the safety of our students and staff. We will do our best to provide an adaptable learning system so that ALL students become independent, responsible, and productive citizens.

Respectfully,

Ted Hessong
Superintendent of Schools
