Parents,

Included in this email is a link to a questionnaire providing you the opportunity to select in-person or off-campus learning for your child(ren). Please take a few minutes and complete the questionnaire by Monday, July 27th at 4:00. This quick turn-around is necessary to get your students into am/pm sections (K-5) and A/B days (6-12), so we can communicate that information to you.

In addition to completing the survey, if you've not already done so, please **COMPLETE ONLINE REGISTRATION**. This needs to be completed for every child regardless of your choice for in-person or off-campus learning.

We've had an overwhelming response from parents wanting to volunteer. Within the questionnaire you'll find questions related to volunteer opportunities. If you're interested in helping, this is the place to let us know.
