Hello Bulldog Families,

Thank you for your patience as we get back to you with some answers to your questions. Please also know that we realize that response time to emails is sometimes delayed from "normal" response times -- I thank you for your patience and flexibility as we work through finalizing our plans to start school. The link below is to a document that we hope is helpful, it was put together through looking at and sorting through the many emails we've received. We realize it won't answer everything right now--there are still details we are diligently working through, but again, we hope it is helpful at this point.

In closing, just a few reminders:

- 1) Please complete the on-line registration process in Skyward *regardless* of what plan you choose for your child(ren) as we open school. On-line registration is necessary for your child to start the 20-21 school year.
- 2) Please complete the survey sent out to you to choose the plan you'd like for your child(ren) by **4:00 pm. on Monday, July 27th**. Completion of the survey helps us moving ahead with the planning process not only for instruction but also for transportation purposes.

Thank you!

Very sincerely,

Dr. Lindsey A. Hall
