Dear Parent, Guardian(s) and Little Indians,

We will be hosting Virtual Meet the Teacher Zoom meetings to replace our face-to-face meetings. Teachers will be contacting parents/guardians to welcome your child to their class and explain how to participate. During the Virtual Meet the Teacher Zoom meeting, students will get to meet their new teacher and parents/guardians will be given important information to make their child's transition into the new year much easier. Virtual Meet the Teacher Zoom meetings are scheduled as follows to allow every grade level a specific time and not overlap with other teachers:
