April 20, 2020

Hello Bulldog Families,

With the announcement on Friday, April 17, 2020 from Governor Pritzker that we would not be meeting in person for the remainder of this school year, and continuing with remote learning, understandably, we are fielding lots of questions from parents about the end of the school year, various events, as well as retrieving the belongings of our students from our schools.

As you can imagine, there are many factors to consider with school for the next five weeks or so, and we will be working diligently and in a focused manner to bring you all of the information you need as fast as we can.

In regard to picking up your child's belongings from our schools, we are working on a specific plan for this. We cannot open up our schools at this time for parents and students to come in, so we will be putting together a process and procedure for pick up of belongings to occur in a manner that maintains social distancing and also minimizes the number of people in our buildings.

Thank you for your patience, flexibility and understanding as we work through the various items on our "to do" list--we appreciate your support!! Stay safe and healthy!

Very sincerely,

Dr. Lindsey A. Hall

Superintendent of Schools
