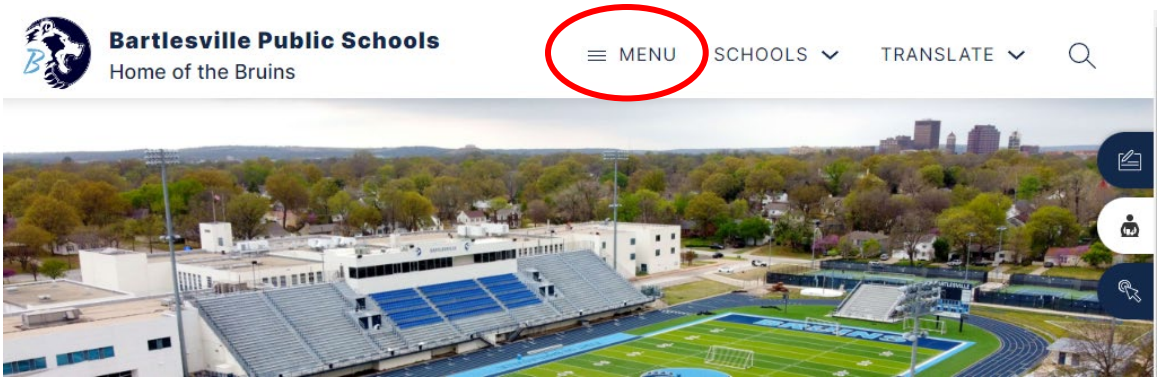
PowerSchool Step-by-Step

1. **Get your student login information at the main office of the school**

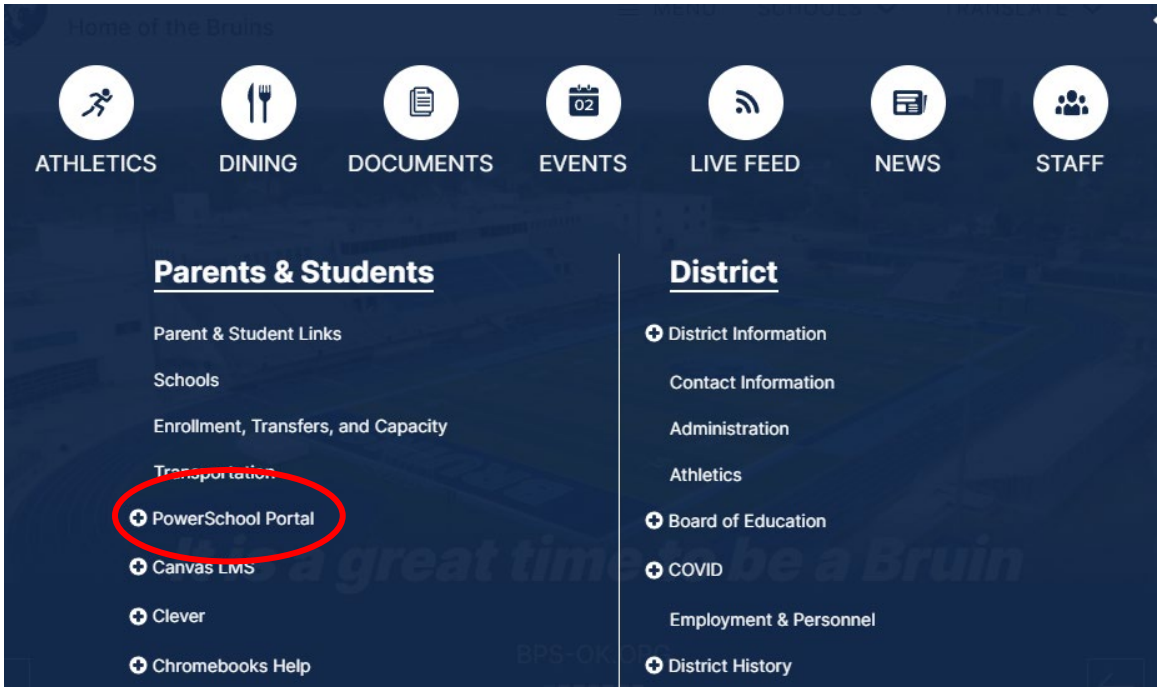
Username_____
Password_____

2. **Go to: http://www.bps-ok.org**

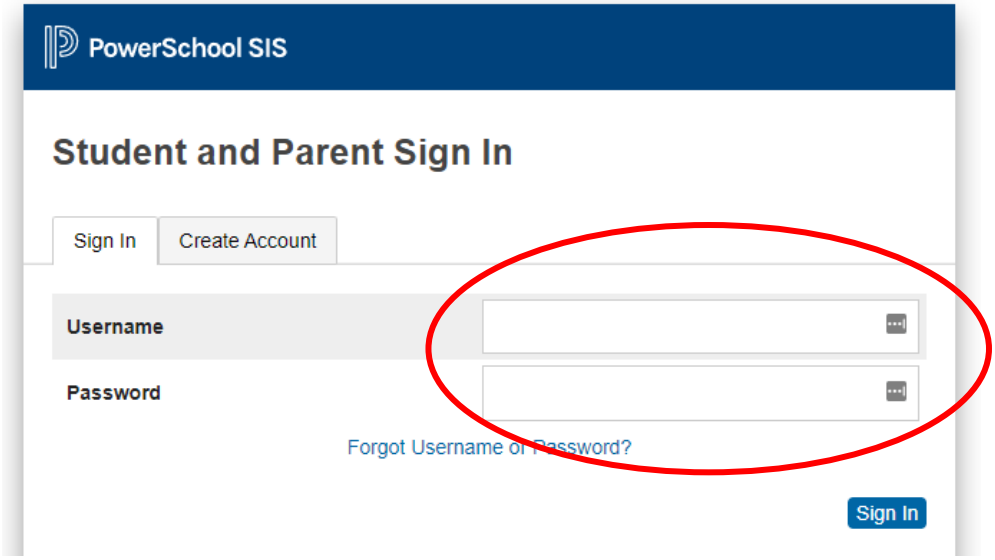
3. **Click on the MENU link.**



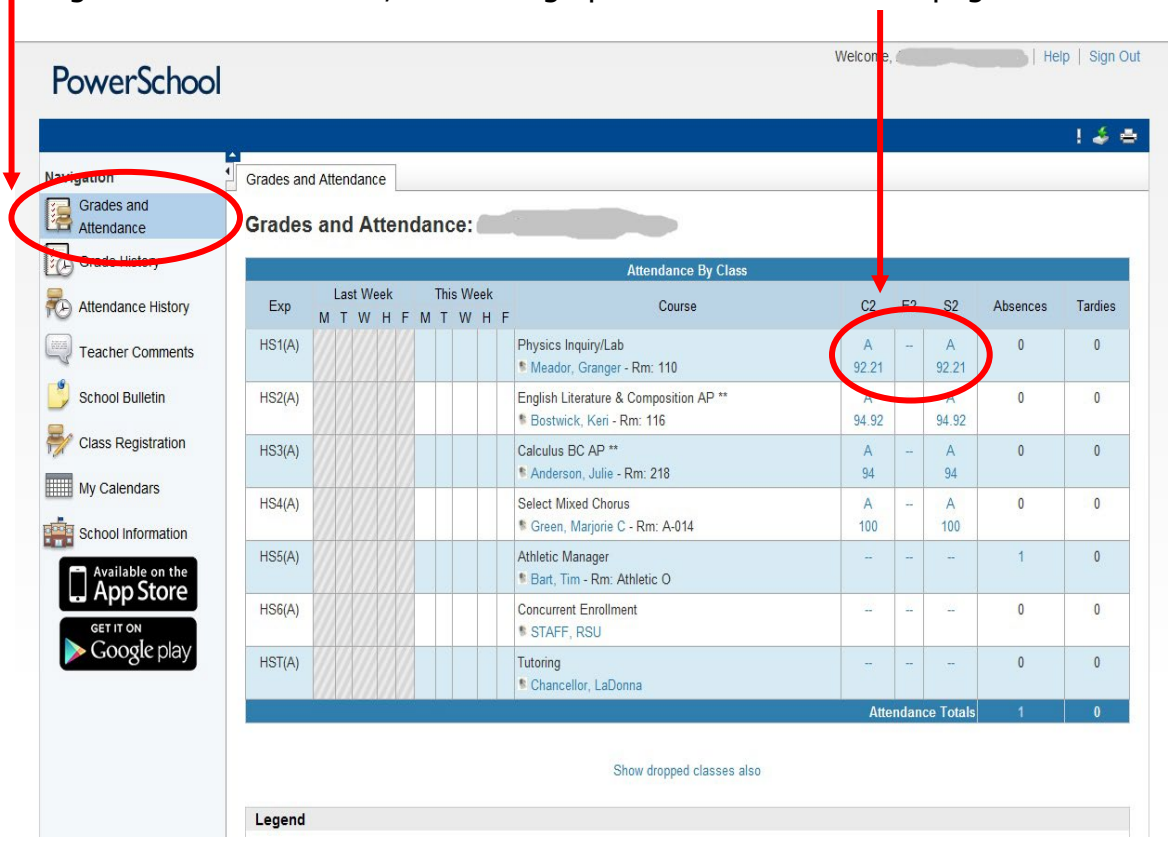
4. **Click on the PowerSchool Portal link.**



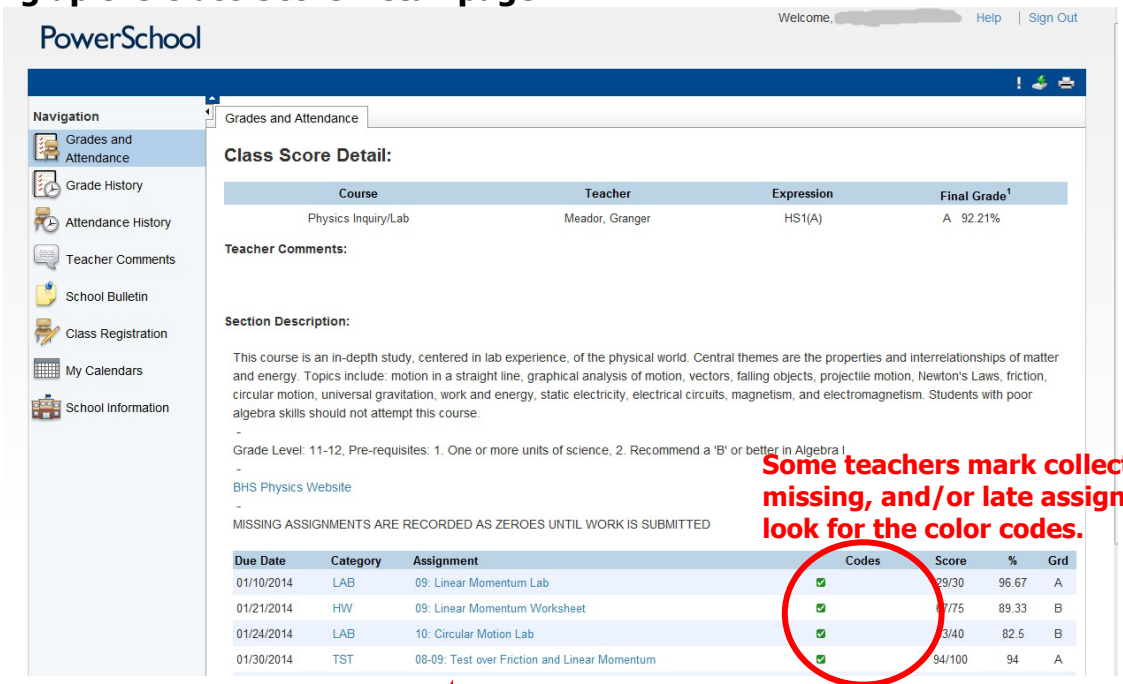
You can either log in with the student information -or- use the "Create an Account" option if you want to access multiple student accounts from a single log-in.



6. **To see the student's grades, click "Grades and Attendance" on the bar to the left.** From that page you then click on a class grade to see the assignments for that class; it will bring up the Class Score Detail page.

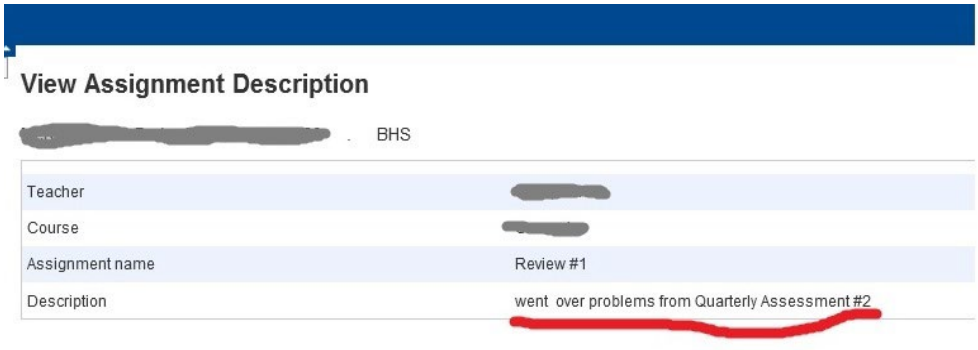


7. If you click on a grade to see the assignments for that class, it will bring up the Class Score Detail page.



8. Some assignments on the Class Score Detail page will have more information.

9. Once you click on a specific assignment, you will get more details.



10. Check out attendance by clicking "Attendance History" on the bar to the left.
