Media Release

This week administration of Johnson Central High School became aware of a possible future threat at the school. An investigation began immediately, the source was identified, and the threat was deemed noncredible. At no time were the students and staff of Johnson Central High School in any danger. Student safety will always be the top priority of Johnson County Schools. Students are encouraged to report any suspicious behavior through our Safety Tip Line on the district website or alert any staff member. We appreciate the support we get from the community as we work together to ensure the safety of our children.
