I believe in-person school should resume as normal, in September, with some new procedures to reduce the spread of the illness.
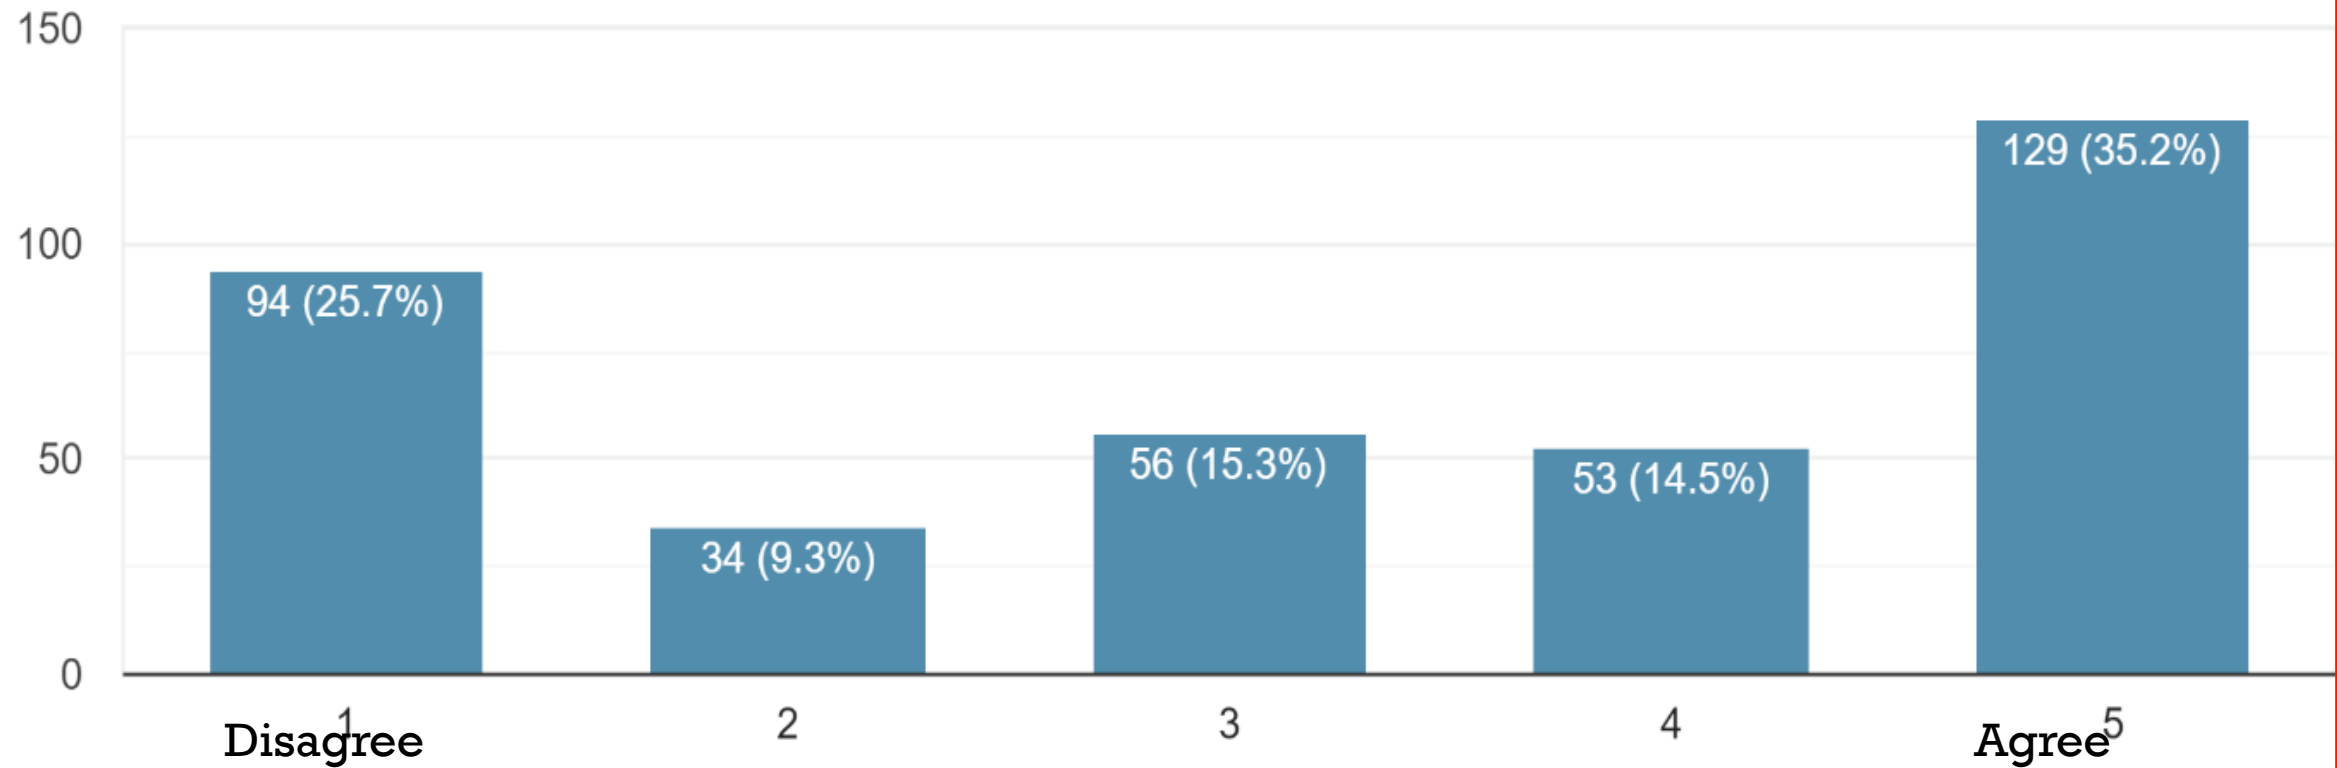

366 responses

I believe in-person school should resume in September, with half of the students attending school on any given day and the other half of the students virtually learning from home.
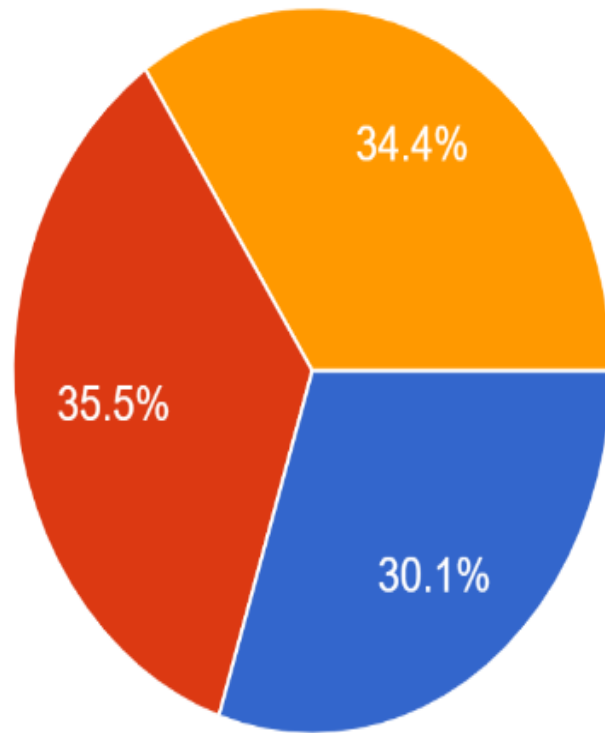

366 responses

I believe school should not resume in September and all students should continue using distant learning technologies until a vaccine becomes available.

366 responses

What is your expectation regarding student athletics, performing arts, and extra-curricular activities if students return to school in September?

366 responses

- 🔵 I fully expect these events to be provided for student participation in a traditional format with reasonable safety measures
- 🔴 I am concerned about students participating in these events because of social distancing challenges while participating
- 🟠 I would not allow my student(s) to participate in these events at this time

Safety

We have implemented our detailed safety plan for adults on campus.

Education Plan

Education Plan

Work In Progress

District Philosophy

e-Learning will be a requirement at one time or another this year- we will excel at it

The District will

- **Prioritize the request of parents and guardians**

- **Focus on families**

- **Prioritize power standards**

- **Prioritize the social and emotional wellbeing of our students and staff**

- **Return students to school on a spectrum**

District Philosophy

Recommendations to date:

- **First week for all students will be focused on e-Learning and training for staff**

- **Buildings will implement education plans based upon student needs and performance- more in a moment**

- **Investigate Learning Hubs off campus**

eLearning

High Quality Research Based Instructional Strategies using eLearning Technology

- **Develop e-Learning expectations for Students, Teachers, and Parents/Guardians**

- **Provide consistency**
  - Use of Class Pages (Prek-12)
  - Use of Zoom (PreK-12)
  - Use of Class DoJo (PreK-3)
  - Use of Remind (4-12) integrated with Class Pages

- Stakeholder meetings/OneNote/emails/phone calls

- Staff on campus to begin

- E-learning available for all—structured schedule with multiple options for families to get ELA/Math/Science & Social Studies daily
  - Clear expectations & accountability

- Bring as many students back as possible, based on safety and parent desire

- Have all students start online for the 1st-2nd week of school
  - Slowly transition students into a hybrid model starting with the older grade levels

- Hybrid
  - Child would receive in-person instruction and e-learning
  - Child would remain in family cohort for the time they are in the building
  - Multiple classrooms have their own restroom

Transportation

- Determine students returning in person

- Schedule runs based on # of students, locations and final destinations

- Delivery of instructional materials for those who are unable to connect to eLearning environments.

Food Services

- Determine # of students returning

- Locations of food services within buildings

- Protocols for delivery of meals to students in eLearning environments at specific locations

- Investigate options for serving eLearning students
  - Daily/Weekly?

Concerns

- Transportation
- Entry and Exit from buildings
- Feeding
- Staffing- high risk members, subs?
- Contractual obligations
- Compliance with rules
- Basic instructional practices
