**MCS D Covid-19 Info**

<b>STUDENTS</b>	<b>Current</b>	<b>Recovered</b>
<b>MES</b>	1	93
<b>MMS</b>	0	52
<b>MHS</b>	0	49
<b>Total</b>	1	194

<b>STAFF</b>	<b>Current</b>	<b>Recovered</b>
<b>District</b>	0	38

The above data is based upon MCS D information and will be updated on the district website each Wednesday of the school week once information is compiled. Privacy laws and regulations prohibit sharing any additional specific information.

The above information indicates cases of MCS D students/staff who have already been placed into isolation by the South Dakota Department of Health.

Please contact your child's school if you have been notified by a health care provider of your child testing positive as you most likely will be notified prior to the South Dakota Department of Health notifying the MCS D.

We rely on our partnership with parents/guardians as we work our way through this time of a pandemic. We depend on parents/guardians to notify the school of your child's positive test; this allows the school to work with you and the South Dakota Department of Health to implement safety measures for all. In addition, we depend on parents/guardians to notify your child's school if someone in your household has tested positive and the South Dakota Department of Health has determined close contacts from within the household so we can implement safety measures for all.
