IMMUNIZATION

DTaP (4 doses if 4th dose given after 4th birthday)
Polio vaccines (3 doses if 3rd dose given after 4th birthday)
MMR (1st dose on or after 1st birthday)
Chickenpox (proof of immunity can be shown in one of three ways):

1. A note or health record from your doctor showing your child has had chickenpox
2. A valid Immunization Record showing your child has had the chickenpox vaccine
3. Results of a blood test that shows your child is immune to chickenpox

Any child who does not meet these requirements within 90 days of registration may not attend school. You must bring documentation of immunization dates to the school office by the start of school or present one of the following:

- A physician's written statement that immunization is medically inadvisable
- A written statement each year stating an opposition to immunization because of a sincere religious, moral, philosophical or personal reason
