

DALE STREET SCHOOL PROJECT UPDATE

June 2020

Dale Street School Project Community Forum & Survey

On May 19, 2020 an online Community Forum was held to provide an overview of the Dale Street School Project and to engage the community on two very important decisions that need to be made. Attendance at the Forum surpassed 158 participants. Following the Forum, the online Community Survey was opened to residents asking for responses to a series of questions regarding the Dale Street School Project. The survey had 856 participants. Results can be found on the Project's website.

Project Schedule

The Preferred Schematic Report (PSR) Submission date has moved from September 9 to October 27, 2020. The additional time will allow for more community engagement in the decision-making process. The Project is in track for a September 2024 opening date.

Next Steps:

The Project Team will begin working with the estimators to develop costs for all options being carried in the PSR.
