

ATTENTION PARENTS OF OUACHITA RIVER SCHOOL DISTRICT

State and Federal guidelines require that all special education due process forms and records be destroyed after six (6) years after a student leaves the special education or speech therapy program. If your child was dismissed, graduated, or found to not be eligible for speech education services or speech therapy during the 2016-2017 school year, you have the right to review and request copies of your child's due process records before they are destroyed. Your child also has the right to review these records, provided he or she is eighteen (18) years old or older. If you wish to view these records, they will be available at your child's school building from August 21, 2023, until September 1, 2023, from 8:30 a.m. until 3:30 p.m. Records will be destroyed on September 8, 2023. THESE RECORDS ARE NOT YOUR CHILD'S PERMANENT RECORDS. THEY ARE ONLY APPLICABLE TO STUDENTS WHO HAVE RECEIVED SPECIAL EDUCATION SERVICES.
