

# Welcome to our Preschool Promise Program

We are excited to begin the second year of our Preschool Promise Program. Preschool Promise is a full day, 8:00 a.m. to 3:00 p.m., Monday through Thursday. We will follow the school calendar which means there will be some half days on Fridays when the preschoolers will attend. **Preschool students are not required to wear a mask.**

The school will provide breakfast, lunch, and a snack free of charge to the preschool students. Breakfast will be brought to our classroom, lunch will be served in the cafeteria.

There will be a scheduled nap/rest time. We will have assigned mats for each student. Mats will be wiped down and cleaned after each use.

The classroom has its own bathroom that we will remind students to use. We ask that a change of clothes and a plastic bag are kept inside the students' backpacks in case an accident occurs. Please inform us if we will need to assist your child with their bathroom needs.

We will provide all school supplies the students will need. Each student will have their own plastic pencil box to keep their supplies in. Supplies will not be shared. The supply box will be kept inside their individual desk.

Students will need to bring their own water bottle to school. The classroom does not have a drinking fountain. The water bottles will be sent home daily to be refilled and fresh for the following day of school.

The following will be our new drop off and pick up procedure until the public is allowed into our building. And who knows, we might like this drop off, pick up system best.

**DROP OFF:** Parents are asked to pull up to the elementary door in their vehicle. A preschool teacher will be at the elementary doors at 7:55 a.m. to greet your child and let them into the building. Parents are to stay inside their vehicle. Please make sure your child has been acknowledged and is inside the building before you leave the parking lot. Parents/guardians are not allowed in the facilities at this time.

- If you walk your child to school please wait outside the elementary doors, using the social distancing protocol, until your child has been allowed entrance.

**PICK UP:** Parents are to pull up to the elementary door, forming a line with their vehicles. Children will be walked out to their parent's vehicle to be released into their care.

- Parents that walk to pick up their child are to wait outside the elementary doors, using social distancing, until their child is released to them.

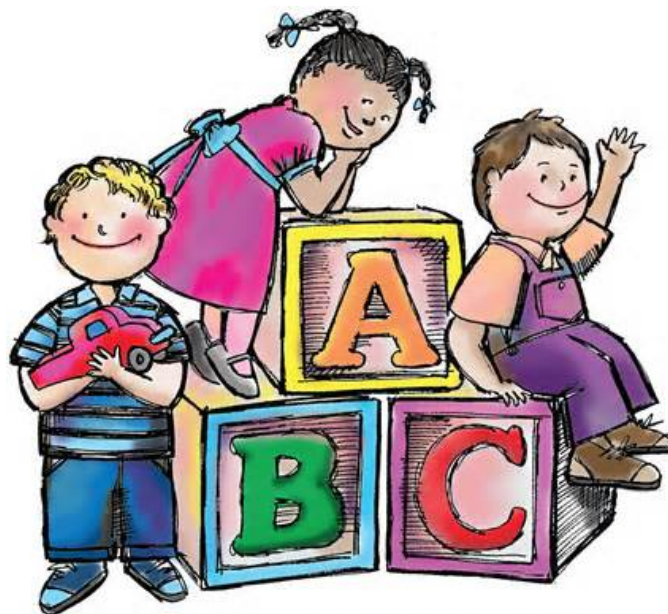

We will hold a masked Open House for Preschool Promise before school starts. Each family will have a scheduled time when parents may bring their preschool student to visit the classroom. The classroom will be wiped down/cleaned between each visit. Families will be notified of the schedule after registration has been completed.

**We will notify parents two weeks prior to the starting date to let them know if their child has been excepted into the Preschool Promise Program. The screening process is done by the Frontier Learning Hub.**

We look forward to continuing our Preschool Promise adventure. If you have any questions please feel free to contact us. The school number is 541-820-3314, ext. 115.

Enjoy your summer,

Miss H., Mrs. Wright  
Preschool Promise Teachers
