

USD #339 Jefferson County North Schools

Web Store for online payment of enrollment fees

<https://usd339.revtrak.net>

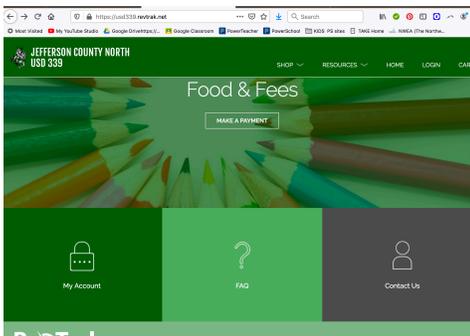

As you complete your online enrollment, you will be offered a link to our online fee-payment Web Store*. At this time, only enrollment related fees can be paid online, but as the year progresses other items will be added to the site (shop fees, clothing items, field trip expenses, band charges, etc.).

You do not have to wait until enrollment to check out our “web store”, and you might even consider setting up your account so you are prepared to pay using this option. There is a fee** which is charged by and collected by the RevTrak company.

The first time you go to the web site, you should see a screen like this. If you'd like to just look around, you do not have to create an account at this time.

You will, however have to create an account and supply some credit/debit card information in order to make an online purchase (such as pay for enrollment).

We encourage you to click on the FAQ (frequently asked questions) button. There may be questions that you have, and the FAQs will answer them.

If you click on MAKE A PAYMENT, it will take you to the page that has our enrollment fees (which include meal payments).

FAQ sample information

Information required to create an account. You must have a valid email account (it will become your username). Please write down both this and your password.

Create a new account

As always, if you have any problems with this process, feel free to call the building offices for help.
