Option 1: ½ Day In-Person With Social Distancing

1. During In-Person instruction at school, all staff and students will be expected to follow the guidelines established by ISBE, IDPH, CDC, and the DeKalb County Department of Public Health.
2. Class sizes limited to follow social distancing guidelines.
3. Attendance either 8:00-10:50 or 12:00-2:50 daily (M-F).
4. Full transportation will be provided.
5. If your child becomes sick or is required to quarantine, they will be switched into a full-remote learning program until they are cleared to return to school activities.

Option 2: Full Remote Plan

1. Families who opt into the Full Remote Plan will be assigned a dedicated remote learning teacher.
2. Curriculum will be similar to that provided to the students attending In-Person.
3. Students will be provided a mix of live on-line class and project based learning.
4. Attendance will be taken daily.
5. All students will be provided a Chromebook for use during Remote Learning.
6. Students who have opted for the Full Remote Plan will be required to stay in remote learning through the end of the first Quarter.
7. If you voluntarily switch to the Remote Learning Plan during the Quarter, you cannot change back until the end of the Quarter.

There is no Hybrid option for Kindergarten at this time. Administration and the School Board are committed to continually evaluating the COVID safety requirements to look for additional opportunities for in person instruction.

Option 1: Hybrid Plan With In-Person Social Distancing

If we are able to provide the 5 day In-Person Wildcard Plan (Option #3), there will be no Hybrid Plan and all students will attend In-Person under the Wildcard Plan (unless they are in the Full Remote Plan).

Students will be divided into ORANGE and BLUE groups.

- **ORANGE** group
  - Students with last name beginning with A-L
  - Attend In-Person Mon, Wed and alternating Fri
  - Remote Learning Tues, Thurs and alternating Fri

- **BLUE** group
  - Students with last name beginning with M-Z.
  - Attend In-Person Tues, Thurs and alternating Fri
  - Remote Learning Mon, Wed and alternating Fri

1. During In-Person instruction at school, all staff and students will be expected to follow the guidelines established by ISBE, IDPH, CDC, and the DeKalb County Department of Public Health.
2. Remote Learning will consist of content review and self-guided learning (no live classes).
3. All students will be provided a Chromebook for use both at school and at home.
4. Full transportation and food services will be provided to students during in-person instruction. Students who receive Free/Reduced lunch benefits will be provided breakfast and lunch meals to take home for Remote Learning days.
5. If your child becomes sick or is required to quarantine, they will be switched into a full-remote learning program until they are cleared to return to school activities.

Option 2: Full Remote Plan

1. Families who opt into the Full Remote Plan will be assigned a dedicated remote learning teacher.
2. Curriculum will be similar to that provided to the students attending In-Person.
3. Students will be provided a mix of live on-line class and self-guided content review.
4. Attendance will be taken daily.
5. All students will be provided a Chromebook for use during Remote Learning.
6. Students who have opted for the Full Remote Plan will be required to stay in remote learning through the end of the first Quarter.
7. If you voluntarily switch to the Remote Learning Plan during the Quarter, you cannot change back until the end of the Quarter.
8. Free/Reduced lunch students will be provided two meals per school day, through a program that is still being developed.

Option 3: 5 Day In-Person Plan With Social Distancing (Wildcard Plan)

The Wildcard Plan will only be available if:

- Enough families choose the Full Remote option and
- We are able to hire a sufficient number of qualified long-term substitute teachers to maintain social distancing guidelines

If we are unable to provide the Wildcard Plan, students will be automatically moved to the Hybrid Plan.

1. During In-Person instruction at school, all staff and students will be expected to follow the guidelines established by ISBE, IDPH, CDC, and the DeKalb County Department of Public Health.
2. Class sizes limited to follow social distancing guidelines.
3. Full transportation and food services will be provided.
4. If your child becomes sick or is required to quarantine, they will be switched into a full-remote learning program until they are cleared to return to school activities.

Administration and the School Board are committed to continually evaluating the COVID safety requirements to look for additional opportunities for in person instruction.

Option 1: Hybrid Plan With In-Person Social Distancing

Students will be divided into **ORANGE** and **BLUE** groups.

- **ORANGE** group
  - Students with last name beginning with A-L
  - Attend In-Person Mon, Wed and alternating Fri
  - Remote Instruction Tues, Thurs and alternating Fri
- **BLUE** group
  - Students with last name beginning with M-Z.
  - Attend In-Person Tues, Thurs and alternating Fri
  - Remote Instruction Mon, Wed and alternating Fri

1. During In-Person instruction at school, all staff and students will be expected to follow the guidelines established by ISBE, IDPH, CDC, and the DeKalb County Department of Public Health.
2. At GKMS, students will stay in the same classroom and teachers will rotate through.
3. At GKHS, students will move from classroom to classroom with cleaning done in between.
4. Students will participate in Remote Instruction with their assigned class through Google Meets with live instruction occurring every day.
5. Students will be expected to attend all classes on their assigned Remote Instruction days.
6. All students will be provided a Chromebook for use both at school and at home.
7. Full transportation and food services will be provided to students during in-person instruction. Students who receive Free/Reduced lunch benefits will be provided breakfast and lunch meals to take home for Remote Instruction days.
8. If your child becomes sick or is required to quarantine, they will be switched into a full-remote learning program until they are cleared to return to school activities.

Option 2: Full Remote Plan

1. Students will participate with their assigned class in live, interactive instruction through Google Meets.
2. Attendance will be taken daily and students will be expected to be on-line with their assigned classes for the entire school day.
3. All students will be provided a Chromebook for use during Remote Instruction.
4. Students who have opted for the Full Remote Plan will be required to stay in remote instruction through the end of the first Quarter.
5. If you voluntarily switch to the Remote Learning Plan during the Quarter, you cannot change back until the end of the Quarter.
6. Free/Reduced lunch students will be provided two meals per school day, through a program that is still being developed.

What Learning Option is Best for My Family?
Grades 6-12

There is no 5 day In-Person Instruction option for Grades 6-12 at this time. Administration and the School Board are committed to continually evaluating the COVID safety requirements to look for additional opportunities for in person instruction.
