### **USD #415 MISSION STATEMENT**

The mission of USD #415 is to provide a quality educational system that encourages and enables students to function as positive, contributing citizens. To help assure that this mission is accomplished, the district will establish, within the board's resources, a learning environment and educational process which maximizes the opportunity for all children to learn and achieve.

### **HIAWATHA MIDDLE SCHOOL MISSION STATEMENT**

The mission of Hiawatha Middle School is to provide all students with life-long learning skills and opportunities for academic, personal, and social growth in a safe and orderly environment. The educational program is designed to enable students to become productive citizens in an ever-changing society.

### **ATTENDANCE**

Each regularly enrolled student shall be in attendance 159 of the 173 days of school to receive credit and/or be passed on at the completion of the school term. After 14 days of absence (excused or unexcused), the Principal may hold a conference with the parent to discuss any reasons why there should not be loss of credit or retention. The Principal has the authority to make exceptions to this policy if circumstances warrant. Parents, please contact the Principal if your student is hospitalized or under a doctor's care for an extended period of time.

Students absent for more than one-half of the school day, for reasons other than school-approved activities, should not expect to participate in or attend any school activities which occur on that day or evening. In the event of an emergency, the Principal should be contacted to determine eligibility.

### **Excused Absences**

Excused absences are those caused by illness, emergencies, and/or personal family matters. Doctor and dentist appointments should be made with the least impact to the child's school day. Students leaving the building during the school day must sign out through the office. Work missed must be made up in order to receive credit. The rule for make-up assignments is one day for each day missed, plus one day. It is the student's responsibility to ask for make-up work and to complete those assignments within the designated time limits.

Examples of excused absences are as follows:

- A. Medical or dental appointments.
- B. Funerals
- C. Illness
- D. Work for parents in case of an emergency. Students may not return for activities in the event they are dismissed to work at home.

Parents are asked to call the school each day their child is absent (742-4172). The school will contact parents after 9:00 a.m. if the student is not reported absent by parents. This is for the safety of the child so both parents and

school personnel know when the child is expected to be in attendance.

### **Unexcused Absences**

Parents will be notified if the child has an unexcused absence and a conference may be requested. State law requires schools to report to the Department of Child Services (DCF) and the County Attorney any student whose absence is unexcused for three consecutive days, five or more days in a semester, or seven days within a year. In the case of persistent absences, the school will review the problem and confer with the parent on a plan to improve attendance. If attendance continues to be a problem, the student and guardian will be referred to the Juvenile Justice Authority (JJA) to complete an intake with a plan for possible monitoring. If failure to abide by the conditions by either the parent or student, Juvenile Justice Authority and the referring school will refer the matter to the

Brown County Attorney's Office for the filing of a Child in Need of Care (CINC) petition.

### Examples of Unexcused Absences:

- A. Working for someone other than a parent when an emergency situation doesn't exist
- B. Babysitting
- C. Shopping Trips
- D. Truancy
- E. Haircut appointments
- F. Excessive absences for illness may be unexcused if not covered by a doctor's note

Family Trips – The school district discourages lengthy family trips during the school year which affect student attendance. Students taking family trips during the time school is in session will receive an excused absence if parents give a timely notice and school work is completed before leaving or on the day the student returns (with the exception of missed labs or tests). The student must make up these exceptions after regular school hours. Failure to give advance notice of such trips will result in unexcused absences.

### **MORNING PROCEDURES**

Students should not arrive at school before 7:50 which is when breakfast will begin to be served. All students are to report directly to the gym and sit with their grade level in the assigned areas. Electronic devices are to be turned off and put away upon entering the school building and will not be allowed in the gym before school. If reporting to a classroom early for extra help, all students must check in at the office first.

### **TARDIES**

Students have three (3) minutes between sessions and are expected to be in class when the tardy bell rings. *Tardiness is defined as any appearance of a student after the scheduled time school or a class begins.* Tardiness of more than ten (10) minutes to a class will be considered an absence and the student will not be admitted without a pass from the Office. Absences due to tardiness beyond the control of the student will be excused as determined by the Principal.

**BE SMART HAWKS ... GET TO CLASS ON TIME.**

## **HOMEWORK/HOMEWORK BUDDIES**

Homework and academic practice is necessary as an extension of the classroom. As the student progresses through school, the amount of academic practice needed for high levels of success will increase. Students are responsible for completing work in a timely fashion. Each grade level has specific requirements regarding practice, homework, and late work.

If a student is ill or knows they will be absent from school, they are responsible for having a homework buddy who will pick up their assignments and books for the day(s) the student was absent. When work is collected and sent home, it is expected to be completed and returned to school.

## **STUDENT RIGHTS AND RESPONSIBILITIES**

I have the right to:

- \*Be safe at school.
- \*Learn and be taught.
- \*Be treated with dignity and respect.

I have the responsibility to:

- \*Not endanger anyone's safety.

## **General Conduct**

During school or school-sponsored activities, students are to follow directions of any school personnel and the adopted rules and policies set forth by Hiawatha Middle School and USD 415. Each classroom teacher will communicate his/her classroom rules and expectations. Students are expected to conform to each teacher's classroom rules and expectations. Failure to conform to any rules, policies, or expectations will initiate the HMS Discipline Policy.

## **Discipline Policy**

Hiawatha USD 415 and Hiawatha Middle School believe that discipline is a process to teach, model, and use appropriate strategies to reinforce the behaviors necessary to ensure a safe and productive learning environment by changing unacceptable behaviors to acceptable behavior.

The staff at Hiawatha Middle School believes that:

- Teaching and learning of the intended curriculum for all students is the highest priority. Therefore, the misbehavior of one student . . .
  - Will not be allowed to interfere with the learning opportunities of another student.
  - Will not be allowed to interfere with the teacher's responsibility to teach all students.
  - Will not excuse the misbehaving student from completing the learning objectives.
- Acknowledging and reinforcing appropriate behavior is the best way to achieve change.
- In handling of unacceptable behaviors, the focus will be on judging the behavior of a student, not on judging the student.
- Parents have a responsibility to ensure their children's behaviors do not take away from a safe and productive learning environment for others.
- Staff will handle all discipline situations in a professional manner.
- Self-discipline is the expected outcome.

The following expectations are shared by our staff:

- Students and staff will demonstrate self-respect, respect for others, and respect for their environment.
- A safe and productive learning environment will be maintained for all individuals at school and at school related activities.
- Conflicts will be handled without the use of violence or threats of violence and with respect for the rights of all.

**DRUG FREE SCHOOL POLICY**

Maintaining drug free schools is important in establishing an appropriate learning environment for the district's students. The unlawful possession, use, or distribution of illicit drugs and alcohol by students on school premises or as a part of any school activity is prohibited. Staff will confiscate all inappropriate containers found in areas of the building other than the lunchroom or commons area.

**CONDUCT ON THE BUSES**

Students should remember that the buses are simply an extension of the school and classroom. All rules set by the District for bus transportation are expected to be followed. Each week the office will generate weekly eligibility reports. If a student is failing one (1) or more classes during any given week, he/she becomes ineligible for activities and athletic events for the next week (Tuesday – Monday). These grades will be

calculated weekly and are to be cumulative (from the start of the nine weeks to the end of the nine weeks).

The first time a student is on the ineligible list, they have a one- week probationary period to improve their grades and will not miss a game or activity. The 2<sup>nd</sup> week (and every week afterward that the student is failing one (1) or more classes) will result in ineligibility for ANY activity during the entire week. Eligibility will restart at the beginning of each 9-week grading period. Students declared “Ineligible” will not be allowed to participate in any extracurricular activities (dances, Science Fair, games, etc.).

**SCHOOL COUNSELOR**

The main purpose of the School Counselor is to help students learn to deal more effectively with personal problems, developmental problems, and educational problems. Students should come to the counselor when they feel they need someone to listen to them and help them work on their problems.

**H.E.L.P.**

H.E.L.P. stands for Homework and Extended Learning Period. H.E.L.P. runs each Monday through Thursday after school. At this time, students may request to stay after school to get extra help from their teacher(s). Teachers reserve the right to assign any student after school for H.E.L.P. Students are given 24 hours to notify parents. Staying for H.E.L.P. is not a punishment. Therefore, it is not the same as a behavior detention that lasts until 4:25 P.M.

**CLASS LOAD**

All students are required to enroll in seven (7) classes. This means each student would be in a class each hour of the day. If a student is unable to maintain this load, he/she may be placed in a tutorial class. Study time may be allotted at the end of each class period.

**ACADEMIC INTERVENTION**

Students in need of additional skill-building in the areas of reading and math will benefit from intensive instruction during designated intervention time during the school day. When the student is proficient in the skill(s) being targeted, a change in schedule will result.

Students must have all fees paid prior to promotion in order to participate.

**HIAWATHA MIDDLE SCHOOL RETENTION POLICY**

The teachers, at the end of each nine weeks, will meet to determine the list of students who are not making minimum requirements. Parent conferences will be arranged for the purpose of developing correctives. If a student fails two (2) or more basic subject areas for the year, which include math, science, reading, social sciences, or English, he/she will be retained. Retention could also be based on a child’s poor attendance as per attendance policy. The final decision on retention will be made in May by the administrator when final grades are in.

## **STUDENTS WITHDRAWING FROM SCHOOL**

In the event that a student is withdrawing from school, he/she must come to the office to get a check-out form. All books and school property must be checked in to each teacher. The teacher will then fill out his/her portion of the check-out. This must be completed before any student records may be released. Parents should come to the office to fill out the checkout form. This will ensure that records will be forwarded to the appropriate location in a timely manner.

## **LOCKERS**

Each pupil has a locker assigned to him/her. The locker number appears on the class schedule card. These lockers are for storing school supplies, coats, etc. If money or valuables must be brought to school, keep them on your person or request that they be held in the school office. The school is not responsible for lost or stolen articles. Coats and hats are to be left in lockers while at school. Locker combinations should be kept private and not given to other students.

Stickers, signs, decals, or other objects are not to be attached outside of the lockers. Anything attached to the inside must meet with the approval of the Principal and be removed before the end of the year.

## **BOOK BAGS**

Students will not be allowed to carry book bags to classes. Bags are to be placed in lockers before school and until school is dismissed. Bags may be used to take books and materials to and from school. If you have a bag with rollers, please clean them regularly to ensure that they work. Those that fail to work properly damage floors.

## **ADMINISTERING MEDICINE**

According to law, the designated school personnel cannot administer medication of any kind to a student without written parent and doctor permission. A copy of the District policy is provided at enrollment time.

## **SELF CARRY/SELF-ADMINISTER MEDICATION**

KSA 2004 Supp. 72-8252 requires a written doctor's order and parent permission to be on file at school to self-administer/self-carry medication. It is recommended that only enough medication for one school day should be carried by the student. Students cannot self-administer controlled drugs. A copy of the District Policy is provided at enrollment time. Please contact the school nurse with any questions.

## **SICKNESS AT SCHOOL**

Students who feel ill at school should ask their teacher for a pass to go to the school nurse. The school nurse or designated personnel will determine if the parent/guardian should be notified. In the event that designated school personnel send a student home due to illness, he/she will not be allowed to participate in any after school activity or evening event, including, but not limited to: concerts, dances, athletic activities, extra-curricular activities, etc.

## **HALL PASSES**

Proper conduct in the halls is expected of every student at all times. This means that students should not be loud, boisterous, run in halls, etc. No student should leave his/her classroom or homeroom without a hall pass or a signed planner.

## **LEAVE BUILDING PERMIT**

No student may leave the school building without first receiving permission from the office. (This includes those who get sick during the noon hour and need to go home.) Students who leave or return during the school day are to sign in and/or out at the office.

## **GUM AND CANDY**

Edibles should not be consumed in the school building unless approved by the teacher. Offenders will be corrected

immediately. Persons placing gum on school furniture, fixtures, or the floor will be subject to disciplinary action.

## **USE OF TELEPHONE**

A student phone is available for use outside of class time. This should be used for emergencies or in the event of cancellation or change in activities. Students must have permission from staff prior to use.

## **LOST AND FOUND**

Articles that are found should be taken to the office. Likewise, anyone who loses something may inquire about it in the office. Any items left unclaimed at the end of the year will be donated to BCDS.

## **FAMILY NIGHT**

Wednesday night is set aside as family night. Unless an emergency arises, school activities will not be scheduled for Wednesday after 6:00 P.M.

## **VISITORS**

We sincerely encourage parents to be interested in the activities of their children and their school. All visitors must check in the office upon arrival at the school. Parents are to wait at the office for their children. They should not interrupt classes by going to the classroom. We do not encourage visits any week when standardized tests are given.

Students and family that are not enrolled at HMS may not attend classes with their friends.

## **SCHOOL DANCES/SCHOOL PARTIES**

All school parties, dances and activities must be approved by the Principal before being placed on the school calendar. This decision will be made with the sponsoring faculty member and must be done at least two weeks before the activity. All school dances must be sponsored by faculty members. A student may not leave before the dance is over, unless a member of the family or representative of the family comes to take him/her home. Once a student has left, he/she may not return, and parents will be notified.

## **USD 415 SPONSORED ACTIVITIES**

Middle school students should remember that while attending any USD 415-sponsored event, they are under the jurisdiction of the school and shall behave according to school policy. Students must remember that, even though they are attending an elementary, high school, or out-of-town activity, they are still representatives of USD 415 and should be to act accordingly.

## **BREAKFAST/LUNCHROOM PROGRAM**

Our lunchroom program is a non-profit activity and is operated under the supervision of the state and national school lunch program. The lunch period at the middle school is a closed lunch period. This means that all students eat at the school building. Lunch and milk money is paid at the school office during homeroom or between classes. Money is not collected in the cafeteria.

To eat breakfast, students must be on the breakfast count the prior day. Breakfast will begin serving at 7:50 a.m. Any student who is over fifteen dollars (\$15.00) negative in his/her lunch balance will not be allowed to receive a meal until they pay what is owed. Students who have charged the maximum allowance will be provided an alternate meal of a sandwich and milk. A la carte or extra items must be prepaid.

## **LIBRARY REGULATIONS**

All students are urged to make full use of the library. During class time, a student may go to the library after study time has been designated by the teacher. Passes to the library from a homeroom will have a seven (7) minute time limit. Whenever there is a scheduled activity for homerooms, the library will be closed for the homeroom period. If a pupil needs more than seven (7) minutes, he/she should ask the Librarian for permission to stay longer.

Reference books, such as encyclopedias and dictionaries, may be checked out overnight and are to be returned to the library at the beginning of the school day.

Library books may be checked out for a period of two (2) weeks, renewable by the Librarian at the end of this period for additional time.

Students may also check out magazines from the library for one (1) day. There is a book-drop in the library. Payment for lost library books must be received before the student will be allowed to check out additional books.

### ANIMALS OR PETS

There will be no animals or pets of any size, shape, or form brought on a bus or into the building unless the pupil has obtained prior approval from the Principal.

### ACTIVITY GROUPS/SCHOOL ORGANIZATIONS

Each student is assigned to an activity group. Your teacher will serve as your adult advisor while at school. You are encouraged to seek out your teachers if you are having problems at school. STUCO REPRESENTATIVES: The STUCO representatives will serve as an advisory board for the school counselor. STUDENT COUNCIL: The Student Council will serve as a student advisory council to the principal.

### ACTIVITY POLICY

The Board of Education encourages proper student behavior at all times during the school day and at all school-sponsored activities\* and discourages any student behavior which brings discredit to the student or school. The following items are unacceptable for any USD 415 student.

1. Exposing one's body in an indecent manner.
2. Behavior that is threatening to others and/or is illegal.
3. Possession, use, or distribution of alcohol or drugs.

Any student found in violation of any item will, on the first offense of the school year, be dismissed from participation in or attendance at extracurricular activities for a period of ninety (90) school days. A second offense, during the same school year, will result in suspension from or attendance at extracurricular activities for a full year. This is in accordance with the Drug Free Schools Act. Penalty days not served during a current school year will be carried over to the beginning of the following school year. It is the intention of the school administration that the policy be enforced with all USD 415 students at all times during the school day and at all school-sponsored activities\*. The policy is not intended to usurp the power and authority of coaches and sponsors but rather to serve as an umbrella under which activity guidelines may exist.

The administration will act on reasonable, responsible, and conclusive evidence brought by a teacher, administrator, or law enforcement official. Students will not be penalized when a relationship exists between extracurricular participation and an academic grade (such as attending a concert and writing a critique as a requirement for a music class).

\*School-sponsored activities would include camps, dances, or workshops students are sent to by the school district, under the direction of KSHSAA, or if the district participates in the selection of student(s) for a camp during the school year or vacation or summer months.

### ACTIVITY RULES

#### Extracurricular Activities:

Hiawatha Middle School Activity Handbook contains details to the criteria below:

1. Activity fee must be paid. A signed, completed Physical and Warning of Danger document must be turned in before a student can practice for any sports.
2. If you are going to be absent from practice/activities, it will be to the advantage of everyone to let one of the coaches/sponsors know a day in advance of your absence. This notification will aid the coaches/sponsors in making decisions concerning practice. We hope that efforts will be made to make changes in beginning times of scouts, music lessons, and youth groups to prevent them from conflicting with after-

school practice as much as possible. Students who attend practice every night deserve a chance to play before students who are gone frequently, regardless of whether it is excused or unexcused. The school policy for excused and unexcused absences will be followed to determine how absences from practice will be counted.

3. Participants will be given two (2) unexcused absences from practices. On the third unexcused absence, they will not suit up for the next activity/game. The fourth unexcused absence will result in dismissal from the team.
4. No foul language will be allowed. No unsafe, disrespectful, or obscene behaviors will be allowed. Problems of this type may cause a participant to be withheld from playing in the game/activity, even if the offense occurs in practice.
5. Participants will be responsible for all gear checked out to them. All gear checked out must be returned before participation in the next sport or activity. All participants will pay replacement prices on all lost equipment checked out to them.
6. If participants are unable to suit up for P.E. because of illness or injury, they do not suit up for athletic practice or games.
7. Good citizenship and sportsmanship are required of students representing Hiawatha Middle School. The Activity Policy will be enforced.
8. Athletes will be expected to attend practice after detention. Time may be made up with extra running or other activity as determined by the coach. Failure to report to practice after a detention will result in an unexcused absence. If a student misses a portion of practice 3 times for detentions, they will be ineligible to participate in the next activity or event. The student will be ineligible to participate in an event for each subsequent detention. Assigned H.E.L.P. sessions will not count against an athlete's eligibility.
9. All homework must be handed in before leaving school for an extracurricular activity event during the school day. Homework is to be given to teachers in between classes. Homework should be picked up for the next day.
10. Alcohol or drug use will not be tolerated. If a student is in possession of, distributes, or is under the influence of an illegal drug or alcohol, they will be suspended from participating in or attending any activities for 90 school days (18 weeks). A second offense will result in suspension from attending or participating in any activities for a full year. This is in accordance with the Drug Free Schools Act.
11. Parents must sign out students to take them home from activities. *Students may go home with another parent if written permission is provided to administration prior to leaving for the event.* Coaches cannot allow students to go home with anyone other than their parents. All participants in an activity are to ride school transportation.
12. Students must be in attendance for at least 3 full class periods in order to participate in an activity/game or practice that day. (In case of an emergency, contact the Principal or Athletic Director.)
13. KSHSAA guidelines will be followed concerning the safety of students. Jewelry, including earrings, is not allowed.
14. Any student who is enrolled in school at the time an athletic practice starts will have 2 days to come out for practice for that sport. Any student who moves in after practice starts will be considered on a case-by-case basis as to whether they can practice and participate.
15. Students in possession of, or using tobacco products will be dismissed from the team or activity in which they are participating.

These same guidelines apply in Physical Education classes.

## INCLEMENT WEATHER

Occasionally, weather events will affect the planned activities at school. Any decisions made concerning the possible cancellation or postponement of activities will be sent out over KNZA Radio. Students will also be allowed an opportunity to make calls to parents at an appropriate time.

## TORNADO AND FIRE DRILL PROCEDURES

Procedures for tornado or fire drills are posted in each room. Teachers will instruct students of the proper procedures.

## TECHNOLOGY PHILOSOPHY

Consistent with the mission statement, the Technology Committee believes that students must be provided a technology rich environment in each of our schools. The effective use of technology by students and staff enhances learning.

Students must have access to a wide variety of technology and develop the knowledge, skills, and problem-solving abilities to allow them to compete successfully in the job market.

Staff and students must have adequate training in the application and integration of technology into the school curriculum.

Utilizing technology, students must be able to access information. They must be able to process and communicate that information through the successful completion of a project or report.

Staff members must be able to utilize technology and information to more efficiently and effectively manage their responsibilities of instruction, assessing and reporting.

The use, possession, or promotion of any tobacco product by any student is prohibited at all time in any district facility; in school vehicles; at school-sponsored activities, programs, or events; and on school owned or operated property.

Student violations will result in disciplinary actions as outlined by board policy and/or student handbooks. Disciplinary actions may include parent/guardian notification, participation in a tobacco and electronic nicotine delivery systems education program, referral to a cessation program, and/or community service. Student violations may be reported to law enforcement if use or possession is deemed to be illegal.
