In preparing for the start of school, and due to changes that will need to take place in order to keep all students safe through the COVID-19 pandemic, we are asking parents/guardians who have students that will require bus transportation for the 2020/2021 school year (both old and new bus riders) to fill out the application form that was sent to you during the month of July 2020. **Even if the student has previously been a bus rider, this authorization form must still be completed and submitted.** If you did not receive this, please complete the 2020/2021 Bus Registration form below and submit it; due date for all registrations is August 10th. Again, even if your student has ridden the bus in previous years you will still need to complete and return this form BEFORE your student will be able to ride the bus. Thank you for your assistance.

Thank you!

Connie Asher

Transportation Director

Lake City Area Schools
