# PIONEER PLEASANT VALE PUBLIC SCHOOLS

## 2020-2021 ACADEMIC CALENDAR ADDENDA

### GLOSSARY OF TERMS

#### Teacher In-Service

This day is scheduled specifically for teacher's meetings and staff development so that our teachers and staff can continue to provide the best education possible.

#### School Holiday

These days are not school days and are typically national holidays. Examples would be Christmas, Thanksgiving, and Spring Break.

#### Virtual Learning Days

This type of instruction day is new to PPV and due to the current pandemic our world is battling. Schools all over the country are scheduling these days throughout the school year for "practice" learning via non-traditional instruction methods. These periodic days will allow our teachers and students to improve and master effective teaching and learning via technology in preparation for unpredicted Covid-19 shutdowns like we experienced last spring.

#### Virtual Saturday

Recently, the state of Oklahoma has allowed school districts to use Saturday's as instructional days, if needed. PPV has set aside one Saturday a month to hold Virtual Learning school sessions with eligible students, if the need arises. These days will be elective and on a case by case basis. The building principal, teacher and parent will meet to discuss this option if it is determined to be a valid approach to a particular student's educational success.

#### In-Class Distance Learning

Occasionally, the building principal will direct teachers to walk students through a distance learning lesson(s) so that they will know how to properly access and use the technology/software if there is another long or short term shutdown due to Covid-19.
