These include but are not limited to hours of availability, limitations on use of amenities and/or equipment, and limitation of access upon no notice to the Applicant. Students may not use school facilities when school is not in session unless supervised by a district staff member or responsible adult upon approval of the superintendent. Violations of this provision may lead to the students being denied access to these facilities or other consequences permitted by board policy and Nebraska law. Any person or group using school facilities, for any purpose, must comply with all of the district's policies, rules, and regulations.

Services and Access: The District agrees to provide you with use of the facilities and equipment available in the facilities. The District reserves the right to add or delete services, amenities, and hours. You will be provided a keycard to access the facilities for a fee of \$10 to cover the cost of the card. Superior Interest in Usage. The primary use of the facilities is for District students and programs. The District reserves the right to close the facilities, in whole or any part, to outside use at any time and without notice to Applicant when, in the judgment of the District, it will benefit the students and programs of the District.

Compliance with Laws: In performing under this Agreement, all applicable governmental laws, regulations, orders, and other rules of duly-constituted authority will be followed and complied with in all respects by both parties. The Applicant understands this may limit access to the facilities with no notice provided to the Applicant.

Video Monitoring and Other Security Measures. The District may use security measures such as video cameras on its property and makes recordings as part of its security processes. Video cameras may be used in locations deemed appropriate by the District. The Applicant consents to these security measures.
