

# ***Welcome***

My name is Zach McRae and am currently in my 4<sup>th</sup> year teaching at Beaverhead County High School. I teach Government and Psychology

I am a graduate of Beaverhead County High School in 2007. I attended a junior college, Reedley College in California to play football and baseball for the Tigers. After Reedley, I transferred to the University of Montana to play football for the Grizzlies and began pursuing a degree in Social Science Broadfield Secondary Education. I completed my schooling at the University of Montana-Western in 2013, where I also finished playing football. After two years of coaching quarterbacks for the Bulldogs I took a job at teaching history at BCHS. I also coach golf, freshman boys' basketball, and am an assistant football coach.

I'm looking forward to another awesome year at BCHS. If you have any questions please don't hesitate to call me at 406-683-2361 or email at [zmcr@bchsmt.com](mailto:zmcr@bchsmt.com).

Thanks,

Mr. McRae
