

Harrisburg School District

Protocol to Notify Public Health Authority

- 1) Building Principal Message to parents/guardians with plan to inform them the importance of notifying the school immediately of a positive COVID19 identification.
- 2) Building Principal Message to all Staff to inform them of the importance of notifying the Principal or the Principal Designee with a positive COVID-19 test result.
- 3) When a school is made aware of a positive result(s), immediately contact the Superintendent or designee at the district office.
- 4) District office will notify school district nurse.
- 5) Upon report from a building, District Representative will report to the appropriate County Health Contact.
