2023-2024 Lakeland Regional High School Assessment Information to Parents and General Public

New Jersey school districts, charter schools, and renaissance school projects are required by statute (*N.J.S.A.* 18A: 7C-6.6) to annually notify parents or guardians by October 1 or within 30 days of any additional statewide student assessment or commercially developed standardized assessment that will be administered over the course of the school year.

Please note that the “Administration Window” is the period of time in which districts administer the assessment. It is not the actual number of days it takes a student to complete the assessment. School districts can choose the specific days within the window to administer the test.

If you have any questions regarding Lakeland Regional High School testing administrations, please reach out to Ms. Jamie Cawley via email at jcawley@lakeland.k12.nj.us. More information regarding the individual state assessments given throughout the course of the year will be provided in advance of the test administration.
