

JCSD 2020 Graduation Guidelines and Information

Each member of the Class of 2020 received 8 tickets. The 8 ticket holders will set together in that seniors assigned section. It would be helpful if those 8 ticket holders arrived together and entered the gym together as a group.

Social distancing, between family groups, should be observed while standing in line and entering into the gym.

When you go inside the gym there will be someone to direct you to your assigned seat/section.

You are to remain seated until the end of ceremony. At that time, Mr. Holland will call your senior's name and the family will walk and meet them at the door to go have a picture taken and exit.

The picture will be taken in the lobby. It will be a single group picture only.

Once the picture is taken you must exit out the front door.

Please be patient and respectful of others. Let's all make this day about our seniors!

CONGRATULATIONS TO THE CLASS OF 2002!
