Roadmap to Responsible Return Definitions

5-DAY MODEL

Students attend school in-person. Student and staff safety remain the top priority utilizing CDC and WVDE/DHHR guidance along with health officials recommendations.

PUTNAM COUNTY VIRTUAL (FURTHER DESCRIPTION OUTLINED ON PAGE 7)

DISTANCE LEARNING

Students will receive instruction from a PCS teacher using PCS curriculum via Schoology platform. Students will be using PCS issued Apple iPads or Lenovo Thinkpad laptops. Internet access at home will make Distance Learning easier, but it will not be a necessity with the platform we plan to use. Students would, at minimum, need to get on Wi-Fi several times each week for their completed work to upload and for new assignments/lessons to download. PCS is currently working to add more remote hotspots throughout our communities to increase accessibility to broadband. If students would wish to rejoin traditional school after 9 weeks, it will be permitted if appropriate conditions, staffing, and scheduling exist. Putnam County Schools may implement an evening Schoology Support Hotline to assist students. The Distance Learning Model utilizes both the College and Career Readiness Standards and the WV Alternate Academic Achievement Standards.

WEST VIRGINIA VIRTUAL SCHOOL (WVVS)

Students will receive instruction from a WVVS teacher using WVVS curriculum via the WV Learns platform using PCS issued Apple iPads or Lenovo Thinkpad laptops. Students can transition into and from virtual school at the **semester grading term only.** PCS may implement evening tutoring to assist students. The WVVS utilizes the College and Career Readiness Standards.

► 1:1 INITIATIVE

Students will receive PCS issued Apple iPads or Lenovo Thinkpad laptops.

BLENDED LEARNING

Blended Learning will only occur based upon guidance from the governor and/or health officials. Students registered for the 5-Day Model will report to school two days per week. Students will utilize PCS issued Apple iPads or Lenovo Thinkpad laptops and Schoology platform for three days.

CAREER AND TECHNICAL EDUCATION (CTE)

CTE students selecting distance learning model will attend scheduled lab days in person.

REMOTE LEARNING

This will only occur by executive order from the Governor. Students will use PCS issued Apple iPads or Lenovo Thinkpad laptops and Schoology platform.

SCHOOLOGY

A Learning Management System platform to provide instruction and communication. Professional development began in 2020 for educators. Training and supports will be provided to students and parents.

Curriculum Delivery & Re-Entry Options

OPTION 1

5-DAY MODEL

- Students attend in person.
- Student and staff safety remain top priority.
- CDC and WVDE/DHHR guidance along with health official recommendations will be implemented.
- Students will receive Putnam County Schools' issued Apple iPads or Lenovo Thinkpad laptops and Schoology to utilize throughout the school year.
- Participation in WVSSAC activities permitted.

OPTION 2

PUTNAM COUNTY VIRTUAL

- Students will receive instruction using iPads or Lenovo Thinkpad laptops with
- a PCS teacher using PCS curriculum or by a WVVS teacher using WVVS
- Schoology Hotline or tutoring.
- **Participation in WVSSAC activities**

GRADING

Instruction and learning will occur in all Putnam County Schools' curriculum delivery model options. Grades are recorded in Schoology and report cards will be issued each nine week grading period. Regardless of the delivery option chosen by parents/guardians, the expectation is for students to receive and actively engage in robust learning activities and instruction five days per week with feedback from teachers. We will follow all WVDE and county policies related to educational services for all of our student populations.

PLEASE NOTE: CHOOSING THE 5 DAY-MODEL REQUIRES YOU TO FOLLOW ALL SAFETY GUIDANCE. IF THAT IS NOT FEASIBLE, THE PUTNAM COUNTY VIRTUAL LEARNING MODEL IS AN OPTION.

FOOD SERVICES

Child Nutrition

The nutritional needs of students will be met in an environment that promotes social distancing and personal hygiene practices with the use of specific staff safety protocols and PPE (E.g. face masks, gloves, face shields, uniforms, aprons, hair restraints, and physical barriers of plexiglass in food preparation and eating areas). Food distribution will be implemented in ways to minimize person-to-person contact. The WVDE/local health officials will be the primary resources for guidance on food service safety operations.

2-week Staggered Entry Feeding Plan:

- Student groups that are on-site in attendance on their specific designated days will be offered regular breakfast and lunch meals at school.
- Every day, take home meals will be available at the end of each school day for students that
 will not be in attendance the following day. Take home meals will be optional and will consist
 of one breakfast/one lunch meal. If take home meals are desired by students, these meals will
 be pre-ordered and will be recorded on student meal accounts when distributed; therefore,
 charges will apply if meals are taken.
- Students desiring to bring meals from home during staggered entry will also be permitted to do so daily.
- See the 5-Day Week Feeding Plan for additional services that will be provided each day while students are on-site.
- Grab-and-Go Breakfast will be picked up by students and taken to classrooms or designated eating areas.
- All students that are at school on-site will be offered breakfast and lunch meals each day, meal costs are \$1.45 for breakfast, \$1.90 for elementary lunch, \$2.05 for secondary lunch.

5-Day Week In-School Feeding Plan:

- Free and/or Reduced meal benefits will be available for families if eligibility is determined throughout the entire school year.
- Students that desire to bring meals from home will also be permitted to do so daily.
- Cafeterias will operate at only 50% capacity; therefore a variety of alternate eating locations will be used. Each school will determine safe places for students to consume meals and within the proper time limitations set by the WVDE. Areas that may be utilized are cafeterias, gyms, classrooms, and outside eating areas (weather permitting).
- Grab-and-Go Breakfast will be picked up by students and taken to classrooms or designated eating areas.
- Meals will be portioned and served as unitized meals in various food-safe compartmentalized disposable containers, bags, plates, plastic baskets or trays.
- All self-service meal options are prohibited; therefore, salad bars, hot food bars, condiment stations, share tables, water dispensing containers, and microwaves will not be utilized by individual students.

Child Nutrition Continued

- Meals will meet USDA regulations. Breakfast will consist of breads, fruits, and milk servings.
 Lunches will consist of entrees, fruits, vegetables, breads, and milk servings. A variety of food items will be used unless supply chain challenges are encountered.
- Cups of water will be available for students during meal times.
- Special dietary meal accommodations will be provided by completing a physician's form.
- Simplified menus for breakfast and lunch will be planned that can easily be transported by students in order to reduce spills while taking to alternate eating locations throughout the school.
- Sharing of food among students is prohibited.
- No food deliveries from outside sources or families will be permitted during the school day.
- Students may be required to eat in designated areas in order to safeguard other students that have severe food allergies.
- All students that are at school on-site will be offered breakfast and lunch meals each day. Meal costs are \$1.45 for breakfast, \$1.90 for elementary lunch, \$2.05 for secondary lunch.

Remote/Virtual Learning Feeding Plan:

- Schools will provide five day meal boxes that include five breakfasts/five lunches to students that choose this option of learning or if Remote Learning is ordered by the Governor.
- Parents may pre-register for a five day meal box that will be available for parent pick up one day each week at designated times and located at designated areas of the county.
- If a single school closure occurs, that school or neighboring school will continue to provide
 meals for students at the closed school. Meals will be made available for parent pick up only. If
 the school is to remain closed for a longer period of time, five day meal boxes will be planned
 for distribution.
- All students that are at school on-site will be offered breakfast and lunch meals each day. Meal costs are \$1.45 for breakfast, \$1.90 for elementary lunch, \$2.05 for secondary lunch.

PLEASE NOTE: THE GUIDANCE IN THIS DOCUMENT IS SUBJECT TO CHANGE AS ADDITIONAL INFORMATION ABOUT THE SPREAD AND PREVENTION OF COVID-19 IS KNOWN.
