

Have you considered Virtual Schooling?

Ohio Valley Educational Service Center and its district partners are offering students an alternative to the traditional classroom.

Ohio Valley Educational Service Center and its district partners puts students in the driver's seat of their education with online courses that give students the flexibility they need to meet athletic, work, or family obligations. And with a wide selection of electives to choose from, students can explore areas of interest and courses that align to their goals for college or career.

Edgenuity, one of our leading online learning course providers, offer additional benefits that include:

- ✓ Engaging, standard-aligned curriculum with interactive, media-rich instruction
- ✓ Highly qualified virtual teachers who communicate regularly with students
- ✓ On-demand tutoring so students get the help they need when they need it
- ✓ NCAA-approved courses that ensure student athletes are college ready
