Dear Parents:

As a service to students and their families, a student accident insurance plan and/or dental plan is being made available for your child at a very nominal cost through Gerber Life Insurance Co.

REASON TO PURCHASE THIS COVERAGE:

1. Voluntary Student Accident is a separate policy that goes into place after the student's primary health insurance has been exhausted so there is more coverage to hopefully help parents/guardians not have to pay so much out of pocket.
2. No other insurance. If you have no other insurance, this will become your primary accident plan.
