A New Pet

Alex and Anna are getting a new pet. They have been begging their mom and dad to get them a pet all summer and they finally agreed! Mom said that before they pick out their new pet they need to prepare the house. First they visited the pet store to get a bowl, leash, collar, toys and some food. Picking out all of the supplies was so exciting. Then they made sure that their house was clean and anything the pet could chew was put away. Finally they went to the pet adoption center. Alex and Anna met so many cats and dogs. After about 2 hours they finally picked the pet they wanted. "Woof, woof!" It sounded like their pet wanted them too!
