About* READ 180 *Next Generation
Proven Reading Intervention Strategies

READ 180, the most effective reading intervention program, is a comprehensive system of curriculum, instruction, assessment, and professional development proven to raise reading achievement for struggling readers in grades 4–12+. Designed for any student reading two or more years below grade-level, *READ 180* leverages adaptive technology to individualize instruction for students and provide powerful data for differentiation to teachers.

The Promise of READ 180 Next Generation

Launched in May 2011, *READ 180* Next Generation is the result of five years of intensive research and development. Informed by our experience serving over one million students a day in over 40,000 classrooms, *READ 180* Next Generation reflects the best practices observed in the most successful implementations across the country. A suite of new technology, data analyses, content, and resources is designed to maximize student engagement, teacher effectiveness, and leader empowerment. *READ 180* Next Generation represents the best of what is known about how to raise reading achievement for struggling adolescent readers.

The Goal: College & Career Readiness for ALL Students.

II.   System44
