

**REVISED 7/31/2020**

Welcome back to Grand Valley High School! We are so excited to get the opportunity to see your children's faces again! As many of you may know, Mr. Hitchcock retired at the end of the 2019-2020 school year, and I have been fortunate enough to be selected to replace him as the 6-12 principal for the 2020-2021 school year. I am so excited to get to work with your children again as their principal! Many things will look very different than they did in the past, but please keep in mind we are making all of these changes with the children's best interest in mind. We are going to work hard this year to ensure your child is receiving a quality academic education, but also ensure that your child's social and emotional needs are being met. Please bear with us during this very difficult time. If you have any questions or concerns that this guide does not answer, nor the guide or FAQ's that Dr. Nye has put out to the public, please do not hesitate to contact me at the office.

Sincerely,

Ms. Cozad

Grand Valley Middle/High School
