

USE OF SCHOOL FACILITIES

The board subscribes to the belief that public schools are owned and operated by and for its patrons. The public is encouraged to use school facilities but shall be expected to reimburse the district for such use to insure that funds intended for education are not used for other purposes. On recommendation of the superintendent, the board shall set the rental rates schedule.

The superintendent is authorized to establish procedures for use of school facilities, including rental rates, supervisory requirements, restrictions, and security. Those using school facilities shall maintain insurance for accident and liability covering persons using the district's facilities under the sponsorship of the organization. For rental rate purposes, organizations seeking the use of school facilities have been divided into three categories:

1. **School or Child-related Groups or Other Government Agencies** include those organizations whose main purpose is to promote the welfare of boys and girls or to provide members of the community access to government programs or opportunities for civic participation. Examples are: Scouts, Campfire, PTA, 4-H, city or county sponsored recreation groups, polling places, political caucuses and governmental groups.
2. **Nonprofit Groups** includes those organizations which might wish to use school facilities for lectures, promotional activities, rallies, entertainment, college courses, or other activities for which public halls or commercial facilities generally are rented or owned.
3. **Commercial Enterprises** include profit-making organizations and business-related enterprises. While the district would prefer these organizations use commercial or private facilities, facilities may be rented.

District-sponsored activities, including curricular and co-curricular functions, retain first priority in use of facilities. Authorization for use of school facilities shall not be considered as endorsement of or approval of the activity group or organization nor for the purposes it represents.
