

McHenry High School D156

Chromebook “Orange and Black” Coverage Plan 2020-21

Chromebooks are the responsibility of the students and they are responsible for all loss/damage/repairs of the devices. MCHS offers optional “Orange and Black” coverage to families as a protection against some of the liability that can be incurred. All fees associated with loss, damage, and repair of the devices will be charged directly to the student account.

Standard Structure - No Coverage

Item	Cost to Student/Parent First Incident	Cost to Student/Parent Subsequent Incident
Theft	Cost of the Device (\$350)	Cost of the Device (\$350)
Damage/Complete loss	Cost of the Device (\$350)	Cost of the Device (\$350)
Keyboard	Cost of Parts (\$20-\$40)	Cost of Parts
Touchpad	Cost of Pad (\$5-\$18)	Cost of Pad
Screen Replacement	Cost of the Screen (\$176)	Cost of the Screen (\$176)
Battery Replacement	Cost of Battery (\$33)	Cost of Battery
Other Minor Repairs	Cost of Parts	Cost of Parts

MCHS “Orange and Black” Coverage Grades - \$30 Annually

Device: ACER 751T Spin 11 Chromebook and Lenovo 500e (Replacement Cost approx. \$350)

Theft	\$100	Cost of the Device
Damage/Complete loss	\$100	Cost of the Device
Keyboard	Covered	\$25
Touchpad	Covered	Covered
Screen Replacement	\$50	\$100
Battery Replacement	Covers One Battery (life of device)	Covers One Battery (life of device)
Other Minor Repairs	Covered	Covered

*** MCHS reserves the right to issue a student a less expensive or used Chromebook in the event of repeated damage or when students demonstrate lack of responsibility.*

Note: The MCHS coverage structure does not cover dishonest, fraudulent, intentional, or criminal acts. These examples could result in 100% of damage or replacement cost to the parents and further consequences for the student. Cases of theft require a police report and will be investigated.
