Physical Forms

All kindergarten, all 7th graders, and any transfer student from out-of-state to any grade of the local school are required to have a complete physical examination. Kindergarteners are also required to have a vision exam. Any 7-12th grade student wishing to participate in any school sponsored sport (including cheer and dance) will also be required to complete a physical (Nebraska School Activities Association requirement) to be given after May 1 of each year. This certifies that the athlete is qualified for the entire school year, May 1 through the following closing day of school, or the current school year. Physical forms may be picked up at the school or printed from the NSAA website (nsaahome.org)
