

James Quick

We have been able to schedule some days for Non-Violent Crisis Intervention (CPI) professional development to be held within our school district (location to be determined).

On August 13, there will be an "Initial" professional development for those that have never received this, and for people whose certification time period has run out. It will be from 8:30am to 3:30pm, and lunch will be provided.

On August 14, there will be a "Refresher" professional development for those who have an active CPI certification and would like for it to be extended. It will be from 8:30 to 11:30.

Each session is capped at 25 for each session. If you would like to participate, please email Emmylu Accordino (eaccordino@clearfield.org) no later than August 6, 2020 at 3:00 PM.

Details to know regarding the Professional Development:

- If registering, please be sure to let Emmylu know if you are attending the "Initial" or the "Refresher" professional development
- Registration will be "first come, first serve;" we will schedule people as they email Emmylu until the session cap of participants is reached.
- The hours will count towards the 20 required hours of continuing education
- Social distancing will be implemented...all efforts to keep people 6 feet apart will be made
- Wearing a mask during the professional development will be a requirement

Thank you for your consideration!

Jamie
