

August 1, 2020

Greetings parents and guardians,

Welcome to the 2020-2021 School year! As you know, this has been a very unique time as the world continues to respond and adapt to the effects of the COVID-19 Pandemic. This health crisis has caused a major shift in education and has challenged institutions around the country to discover new ways to educate our children. To that end, we have been meeting with our stakeholders and taking steps to write a safe and structured school reopening plan. The health and safety of our staff and students is paramount; therefore, measures have been taken to ensure that we are fulfilling the CDC guidelines for all classrooms and common spaces in our school. Consequently, changes will be made to our classroom and school procedures for in person and virtual learning.

Starting on September 8th, Camden Academy will be providing a modified schedule for our students. This year we are offering a hybrid program, including both in school sessions and virtual classes. The schedule includes coming to school 2 days per week from 8am to 1pm and virtual learning sessions 3 days per week. While in the school building students will receive instruction in English, Math, History, Science, and PE/Health. They will also receive instruction in either Spanish, Fine Arts, or an elective class based on their grade level as well as one additional class which will be fully virtual.

We are asking your family to confirm that your child will be attending our hybrid program (2 days in school / 3 days virtual) in the fall by completing the attached survey. Please note that we are working hard to keep families on the same schedule. If the hybrid program does not work for your family, there is an option to have your student stay home and participate in a fully virtual program. Please use this link below to complete the survey.

Please complete our survey by Friday, August 7th to give us time to properly plan and schedule for our fall classes.

Parent Orientations will be held in 4 different sessions. Grades 9-12 Parent Orientations will be held together this year. Please choose one of the following meetings to attend. Below are the zoom links to the parent orientations.

Wednesday, August 19, 2020 at 10:30am

Topic: Camden Academy's Parent Orientation Session 1
