The Concord Community School Board of Education has approved the enrollment of non-resident students for the 2020-2021 school year as permitted under Section 105, and 105c Schools of Choice.

Schools of Choice is an opportunity for out-of-district students to attend Concord Community Schools. We currently have limited positions available in all grades K-12.

Open enrollment is July 28th through the first Friday after the start of the current school year with a **second open enrollment** period running 2 weeks prior to the end of the first semester, December 4th, 2020 through December 18th, 2020. Applications submitted and approved during open enrollment periods will not require a Resident District Release to enroll.

Concord Schools also accepts applications outside of open enrollment periods throughout the school year. At these times, upon approval of the application, completed Resident District Release paperwork will be required prior to enrollment. Concord Community Schools will be happy to request district release paperwork on your behalf from your home district before completion of enrollment.

Please feel free to contact us directly with any further questions.
