

Principal's Presentation

WILLOW EDUCATION & BAYTECH

Ercan Aydogdu
5/11/2011

[

HIGHLIGHTS

]

- WASC Visit
- STAR Test
- I-SWEEEP Awards
- Six Flags Awards Trip
- Ice Skating Trip
- International Day
- Senior Trip
- Turkey Trip

[

WASC Visit
Accrediting Commission for Schools

]

- Overall it was a very successful visit.
- Committee Members visited our classes, gathered information from admins, teachers, students and parents for 3 full days.
- At the final phase of the report meeting, committee had a very positive feedback with a few areas of growth items for us to take an action.
- Committee sent its report for us to update our Action Plan according to their feedback.

[

STAR Test

]

- An assembly was held to motivate all students just one day before the STAR Test.
- Goals were given to each student through one on one meetings at the main office.
- Testing went smooth with no problems and students seemed to be more motivated compared to the previous years.

ISWEEEP

- Mario Rodriguez, Kemal Idrisov, and Yousof Hamdan received a SILVER Medal in the Environment Category with the project "*Using Engineered Bacteria as an Efficient Biosensor of Environmental Toxins*"
- \$600 cash reward for the project
- \$7000 Scholarship through North American College per individual

Ice Skating Trip

- BayTech Teachers and Parents organized an After School Ice Skating Party on April 6th, 2011.

Six Flags Awards Trip

- Six Flags Discovery Kingdom field trip on April 26th, 2011 as an award to their hard work and success during the year.

International Day

- On April 30th BayTech students attended the first annual International Day Celebration & Soccer Tournament in Orangevale

Senior Trip to

- BayTech seniors took a trip to Los Angeles on April 18th for 3 days.
- We visited Hollywood, Beverly Hills, Santa Monica Pier, San Diego, Coronado Island, La Hoya beach, and Magic Mountain in Valencia.

International Trip to

- Started on April 14th for ten days.
- Visited five cities Istanbul, Izmir, Bursa, Antalya, Denizli-Pamukkale
- Two Teachers, Seven Students and One Parent attended.

Prop-39 (Response to Final offer)

- OUSD did not make any changes to their Preliminary Proposal and responded to our concerns saying that they will not change the pro-rata share amount which is used in facility cost calculations.
- OUSD's Prop-39 Final offer mentioned 12 teaching stations and one none-teaching stations provided at current school site for 2011-2012 school year based on BayTech's 226 of in-district students' ADA projection.
- We requested two more small office spaces.

Enrollment for 2011-12

2011-2012	Applied	Total	Goal	Need	New Enrolled	Total Enrolled	Availability
6	54	54	50	-4	18	18	32
