

August 1, 2023

Dear Parents and/or Guardians,

This is to inform all parents/guardians of Bureau Valley CUSD #340 students that if insect control is determined to be needed, Pest Control Consultants will spray all schools that require it for insects after school the third Tuesday of each month during the 2023-2024 school year.

If you would like any additional information regarding our Pest Control Management Plan, please contact your building principal by completing the form below

Sincerely,

Jason R. Stabler
Superintendent
