

Robinson ISD Backpack Information Day Grades PK-6

Robinson ISD strives to provide a learning environment free from disruption. It is our goal to send home and/or make available to students and parents only information which has been approved for display or distribution in accordance with policy GKDA (local). Our district recognizes the need for various organizations to get non-school literature to the students that our district serves. It is with this understanding that we have developed the Robinson ISD Backpack Information Days. Please see the dates below for important timelines for your group's information to be included with this year's Backpack Information. **This is available for grades PK-6 only.**
