Dear Ringwood School Community,

The New Jersey Department of Education has informed us that they are conducting a comprehensive needs assessment to improve the service system for children and families experiencing homelessness or housing instability in the state. Part of this process involves surveying all families, regardless of housing status, to determine the effectiveness of programming. To that end, Region I is partnering with Monarch Housing Associates to collect this important information.

They have constructed a 10 minute survey that we will ask you to complete if you choose to participate. Know that all responses are confidential and will be used exclusively to identify gaps in service and enhance communication, connections and supports.

The survey will remain open until March 30, 2023.

For questions regarding the survey, please contact Katelyn Ravensbergen at kravensbergen@monarchhousing.org or Ashni Mathew at amathew@monarchhousing.org.
