

**High School Honors, AP and Dual Credit Entry Guidelines
Navarro Independent School District**

Introduction

Honors, Advanced Placement and Dual Credit courses are designed to provide students with a higher level of rigor to match the expectations and requirements of advanced level courses students may encounter in future years. Navarro ISD recognizes the value of advanced academic coursework and encourages students to explore advanced options available to them as they progress in their studies. Students are encouraged to explore the more rigorous coursework as it applies to their future college or career needs.

Entry Guidelines
